## from your governor

Hello CNH Bees, and happy new year! It is the first issue of the 2020 year! As winter weather can become unpredictable, please make sure that you are staying warm at all times and plan accordingly for rain and snow! As we are all busy bees, we need to put our health at the highest priority! With January coming around, **it is officially election season!** This is the time where you will see new Lieutenant Governors and club officers being elected. Good luck to those of you who are running! For everyone who is thinking about running next year, take the next year to learn as much as you can about Key Club and prepare yourselves for the position(s) you are thinking about!

**District Convention is around the corner as well (March 13-15),** so please make sure that you turn in payments to your home club and ensure that they register for the club correctly! I highly encourage everyone to attend DCON as it is such an overwhelmingly life-changing event for so many people, whether it be **creating new lasting bonds, learning more about Key Club, or casting your vote on the new District Executives!** This is it for me this issue! As always, if you have any questions, comments, or concerns, please feel free to contact me! Thank you!

## from your secretary

Happy New Year, CNH! Welcome to the new year—**we are now within the last three months of the 2019-2020 term.** For many of us, there are many new “New Years Resolutions,” and new hopes for us to have, but remember to keep your set initial goals from the beginning of the term. With it still being break for most of you, **take some time to congratulate yourself for making it this far into the year, and for making your 2019 and term full of prosperous successes.** All throughout the district, many elections are taking place, so to all club officers, be sure to work with

your club boards and advisors to plan out election events. For members who are thinking about club elections and running for positions, I'd like to encourage you to learn more about the positions you are currently interested. Even if you have the slightest interested in running for something, do it—you are unique and hold purpose to this organization as a whole.

## **from your treasurer**

Hey CNH! Have you heard? We are **only \$799.27 away from our PTP goal!** I can't believe we are already this close with 3 months until District Convention. I know the Winter Season is very chilly so please be sure to stay warm and not get sick. Congratulations on finishing your finals. Let's finish off second semester strong. I know it's rough at this time of the year when everything dies down, but please remember that service never sleeps. There are people that need your help, so do your best to do as much service as possible within your home, school and community. That being said, **there are still many clubs that have yet to pay their dues.**

**Please do so before February so that your club is not suspended.** Once a club is suspended, they risk having to pay expensive rechartering fees. Keep in mind that if your club has already paid dues but has gained new members, it is highly encouraged that you submit dues for them as well. As the new year begins, I hope we can all set new resolutions and become better, more improved versions of ourselves. I'll see you at DCON and best of luck to anyone running for office. If you would like to chat, do not hesitate to contact me

Serving as a leader in Key Club is very fulfilling and the change you're able to

make in peoples' lives is real. **If you would like to reach out to me as well to learn about running, feel free to do so!**

This time of year is the time to start thinking about attending International Convention. If you have questions about affording ICON, visit <https://www.keyclub.org/news-and-events/>, then click ICON and download the Sponsorship Toolkit. I'm so excited to meet all of you at DCON this year!

# Why do you love dcon?

DCON!! My favorite time of year! DCON is such an amazing educational and inspirational event that I recommend ALL key clubbers to go regardless of how many years they've been in key club or their position. It's truly a wonderful opportunity to witness the vastness of our district and meet other key clubbers from different schools, divisions, and regions while having a great time. For me, I really fell in love with key club after listening to our district board confess their own love for key club and the experiences they've gone through. I can't wait to attend DCON this spring and many more to come. Thank you for all these unforgettable memories. ❤️

– **Jenny Huang, D04C**

My experience at DCON was the best due to having many of my other key club friends with me when celebrating the amount of work we put in to help our community grow! The three day event where we can congratulate others for their accomplishments and learn more during workshops, is memorable and a one of a lifetime experience!! Dcon is amazing for providing so many fun, learning factors and helping us be more connected with Key Club.

– **Nicolle Cho, D03N**

It was so much fun seeing all the super-spirited key clubbers from divisions all around the Cali-Nev-Ha district. DCON was a great way to meet more members from other divisions, but also to get super close with members from my home division.

– **Michaela Pennebaker, D34S**

# CNH | KEY CLUB

## Past DCON Experiences

# *What did you love about dcon?*

DCON was probably one of the most unforgettable experiences I've had. From being able to celebrate and cry with my division to meeting new people all over CNH and learning so much more about Key Club in general. DCON is such an awarding experience that I hope everyone else can experience. It was so exciting to dance the night away at gov ball and play amazingly fun games at alternate activities. Meeting all the new LTGs and crying our hearts put together as we stood on stage being installed is a memory I will have forever. DCON 2020 here we come! :))

**- Rachel Kwon, D03N**

DCON was an amazing experience. I loved being able to bond with my division, but also I loved being able to meet with people from all over the California-Nevada-Hawaii District, meeting like-minded peers, just as passionate about service as I was. From dancing the night away at Gov Ball, to crying after I was inducted as LTG, to learning important lessons at the DCON workshops, DCON has always been one for the books! I can't wait for it this year :D

**- Rebecca Pan, D34S**

DCON was a great experience for me because I got to bond with not only my own division, but with old and new friends from other divisions in CNH. Additionally, I really enjoyed the fun yet educational workshops that engaged me further into Key Club.

# Why Key Leader is Perfect for Students

## Community

- Students learn about the importance of the community that they live in.
- Most of all, they learn how to take care of the community, and how to give back to it.

## Meaningful Interactions

- Students are always on their phones, but Key Leader gives students an opportunity to detach themselves from their devices and interact with the outside world.
- Students have the opportunity to interact with people they never would have met otherwise. They can make meaningful connections that will last them a lifetime.

## Growing Up

- Key Leader teaches students about the dangers of the outside world, and better helps them to navigate through life as they age.
- Students have become increasingly more independent. With that independence, there is also a danger. Key Leader guides students to help them understand their independence.
- Mental health is also a huge concern among students. Multiple workshops and sessions are held to help educate children about the dangers of mental illness - and how to cope, overcome, and understand what it is.

# A DAY TO SERVE ACROSS THE WORLD

Kiwanis One Day is held annually on the fourth Saturday in October where members of the Kiwanis Family around the world work together to make a positive impact in their communities.

## CENTRAL/SOUTH AMERICA

- The Kiwanis Club of Las Perlas, Panama, organized a day of kids' activities, which included a parade, dancers, drummers, face painting and balloons, as well as a donation of diapers to the Voluntarias Hospital del Nino.
- Cake was served at the Kiwanis Club of Alcaraván, Colombia's Halloween-themed children's day.

## CARIBBEAN

- For the 10th Annual Breast Cancer Awareness Walk, Eastern Kingston, Port Royal, Jamaica, Kiwanians and 60 students from Randolph Lopez School of Hope (for students with disabilities) participated in a day of haircuts, manicures, pedicures, woodwork projects, gardening demos, food and home items, performances and career-training opportunities.

## UNITED STATES

- The Kiwanis Club of Chinatown, New York City, New York, planted daffodil bulbs at the Bowery.
  - The Kiwanis Club of Queens Boulevard, New York, along with Key Club members, planted daffodil bulbs and cleaned up Hoover-Manton Playgrounds for "It's My Park Day."
- The Placentia, California, Kiwanis Club helped kids carve jack-o-lanterns at LOT318, a nonprofit that empowers at-risk children.

## CANADA

- Volunteers from the Greater Toronto area Kiwanis clubs assembled 1,200 family emergency kits for Syria.
- South Edmonton Kiwanis Club members, joined by CKI and Key Club members, sorted toys for Christmas at Centre of Hope.

## #MyKeyClubStory

1. How did you join Key Club and what were your first impressions?

I joined Key Club because my friend was on the Division Leadership Team and encouraged me to join and even took me to events. At my first Key Club event everyone was very social and very welcoming.

2. What was your Key Club moment?

3. How would you convince a non-member to join Key Club?

Key Club is an amazing community to learn about service and to better your community while having fun with friends. You get to meet new friends in your area and really develop yourself with leadership skills and pride in the service you do.

Region 13 Picnic was my Key Club moment because that was my first Key Club event and everyone was so friendly and the LTG's had so many fun activities planned it made me want to keep going to future events.

# CONCLAVE PROCEDURES

## -What is Conclave?-

Conclave is where the election of the next Lieutenant Governor for your division will take place! All of the candidates will give speeches and will go through a caucus (Q&A)! Afterwards, the delegates will vote on the candidate that they believe has what it takes to be the next ltg.

### Delegates

Each club in good standing is entitled to TWO (2) delegates at Conclave. Each delegate must vote by secret ballot. A vote of 'no confidence' must also be on each of the ballots.

### Speeches + Literatures

Each candidate will present a speech for 3-6 minutes!

----  
The candidates literature will be the **ONLY** campaigning material permissible on the day of conclave.

### Voting/Ballots

The candidate with a simple majority (50% + 1) vote in the secret ballot shall be the winner of the election. If there is a tie in the election, the Lieutenant Governor's vote will serve as the tiebreaker.

### Nomination Conference

In the case that there are more than 2 candidates running, there must be a Nominating Conference. Here, the top 2 candidates who have received the most votes will be giving second speeches and have another round of Caucus.

CONTACT YOUR PROSPECTIVE  
LIEUTENANT GOVERNORS  
FOR MORE INFORMATION ABOUT  
YOUR DIVISIONS CONCLAVE !

# INTERNATIONAL CANDIDATE TRAINING CONFERENCE

## ***What?***

This event is an **online teleconference** that informs those interested in running for an International Position at ICON 2020 the rules and requirements in order to do so. It is mandatory for candidates of International positions.

## ***When and How?***

It will be held on **Tuesday, February 4th, 2020** at **6:00 PST**. The registration link can be found on the CNH Cyberkey (Members > Running for International Office). You can register on The deadline to register is **Monday, January 20th, 2020**.

“When I ran for International Trustee, I had two preparation calls with Alice Geng, IP International Trustee. This allowed me to get questions answered about the elections process in an unbiased manner, including what’s allowed for campaigning and when meetings and events were. Talking with someone in the position I was running for allowed me to understand further what the position entailed and the ways I needed to prepare myself if I was elected to the position. If you are interested in running for a position in the future, begin talking to those officers now!”

## *sonora high food drive*

This past month, the members of the Sonora Key Club has focused greatly in helping out the Food Drive. Every year Sonora High School hosts a food drive where students and faculty raise money to provide food and etc. to families who are less fortunate here in La Habra. This year, the Sonora Key Club decided to help out in such a meaningful event by making blankets for these families. Members all helped out by taking blankets over Thanksgiving break as well as simply just coming in during lunch. It was so great to see everyone participating and helping out such a meaningful cause. In total, the Sonora Key Club made over a hundred blankets for these families. It was so heart-warming to be able to know that our key club in some way was able to bring happiness and warmth to these less fortunate families. This blanket making for the food drive made our members be reminded once again of the goal and purpose of Key Club. We were able to serve our community and make a difference in our own way!

# operation christmas child

OCC (Operation Christmas Child) was an event where people could fill boxes full of presents for children who are unfortunate. There were multiple presents to box with them having their own categories: hygiene, school supplies, toys, and “wow” items. The hygiene category included items such as toothbrushes and soaps. School supplies included items such as pencils, erasers, pens, etc. Toys included items such as toy planes and bouncy balls. The “wow” items included big items such as stuffed animals, soccer balls, and pumps for the soccer balls. The event started with everyone making their box. After the boxes were made, everyone got in line to stuff each of the items into their box. Everyone loved that they were helping children in need. A total of 50 boxes filled. What I liked about OCC was that I could help for a good cause while having a lot of fun with my friends. It was a blast having my friends make fun of me for not knowing how to do mundane tasks. I could tell that everyone had a good time participating in this event. All in all, OCC was a great event to help children in need while also having plenty of fun with others.

## EL DORADO ELEMENTARY GARDEN

At the elementary school, SECA Key Clubbers are able to provide assistance to tend to the school's garden. Volunteers work with elementary children, ranging from different grade levels, and mentor them in correctly planting new seeds. "We just finished planting new cabbage, onions, and carrot seeds," remarks Caitlynn Rasamee, an active member in attending the after school event. The event happens every Thursday from 3:00 p.m. till 5:00 p.m., or when the children go home. It is an ongoing event, which requires the dedication SECA Key Clubbers are willing to exhibit. Volunteers assist in picking out weeds, watering the plants, harvesting, and digging up the soil in order to initiate more planting.

## CIRCLE K GIFT OF GIVING

On November 17th, people from all over Northern California gathered at Sacramento State to join Circle K for an amazing day together. Regions 9 and 16 were invited to attend and the event was a success! Through random assortment, people were encouraged to meet new people. The day started off with members going to their assigned group and meeting their leader as well as others in their group. Then, the rest of the day consisted of stations such as making reindeers, no-sew blankets, socks, and lots of icebreakers and service in general. After a long yet eventful day, everyone left home with a little more thankfulness in them as they gave back to the community, just in time for the holidays!
