HEY CNH BEES,

Welcome to the first ever issue of my newsletter *The Bee Times*! I am so honored to be delegated as the District News Editor for the 2019-2020 term! I can't wait to meet and work with everyone else on the District board.

As a brief introduction, my name is Hanah Shih and I'm an incoming senior from Division 7 South and Region 16 located in Sacramento, California. Besides Key Club, I really enjoy going to professional basketball games and watching Korean Dramas at home.

Although the school year has come to an end, that doesn't mean service stops. There are still plenty of service and social events and I highly encourage you to attend them! Check in with your home club to see what events there are!

Throughout this term, I hope that my newsletter is helpful to the members, even if it's in the slightest way possible. I hope that this newsletter is the source of all the information that a member could possibly need. Lastly, I hope that this term will be an amazing term and that we, as a district continue to achieve new accomplishments and reach all the goals we set.

Thank you for reading my first issue and if you have any questions, comments, or concerns, please do not hesitate to contact me! See you next time!

HANAH SHIH
cnhkc.dne@gmail.com

HELLO CNH,

My name is Chuofan Yu, and it is my honor to serve you as your District Governor for the 2019-2020 term! Congratulations on making it through the school year, and now it's time to celebrate! Forget the stressful days of cramming for finals and projects and go get some food/boba with your friends because you've earned it.

It is summer time, the prime time for service. This summer, if you have free time, join your peers in community service, whether it be city beautification, helping out at an event, volunteering at the animal shelter, and etc.! It's a fun and meaningful way to spend your summer! Please also plan out what you

want to accomplish this year and what actions it would take to accomplish them during summer because once school begins, the work comes in faster than you think! Also, if you're a member this pertains to you as well! YOU are able to make a difference in your community too with the help of your home club, your sponsoring Kiwanis club, the YOF grant, and etc.! Members can have plans for great things as well. As the term unfolds, if you ever find yourself in a rocky situation or feeling a bit unmotivated, please feel free to reach out to me or the District Board! We are here to serve YOU! I wish you all the best in this new term, and I hope to see you soon!

FROM YOUR GOVERNOR,

CHUOFAN YU

ALOHA CNH,

My name is Lawrence Guittap and I have the immense pleasure of serving as the 2019-2020 District Secretary. Last term, I have served Division 22 Hikina as Lieutenant Governor and the CNH Service Projects Committee as Chair and Secretary.

This term, with your help and service as one ohana, **I have many high hopes for what's to come.** I would like to extend my appreciation to you all for your unrelenting service to your communities, and just know that service is always active during all four seasons of the year! As we are still fresh into the term, I would like to encourage you all to take the time to set goals for yourself, and the club, division, district, and wonderful organization you serve - Key Club!

Whether it be your first, second, third, or

fourth year in Key club, this term is ultimately up to what you make of it; thus, make this term your all.

Let's all work towards being members of good standing by the end of the term - that each member is both dues-paid and has served at least 50 hours. With effective planning, preparation, and great time management, I am fully confident that we'll achieve this together as a district. May us all continue to serve with our hearts no matter what season of the year it is! Thank you once again, CNH, for providing me with the opportunity to serve you this term; I am extremely grateful. I'm excited to meet you at International Convention 2019 in Baltimore, Maryland!

FROM YOUR SECRETARY,

LAWRENCE GUITTAP

WHAT'S BUZZIN BEES!

My name is Kristie Poon and I have the honor of serving you as your District Treasurer for the 2019-2020 term! After being blessed with the honor of serving as Division 34 North's Lieutenant Governor, I am extremely humbled to have been given this opportunity and I am BEEyond excited to work with everyone this year.

As this school year comes to a close, this is a friendly reminder to submit any remaining money you have not yet turned in for the Pediatric Trauma Program and the Eliminate Project. **Please do not leave any money unaccounted for during break!**

To the graduating seniors, thank you for all the hard work and dedication that you have given to this organization. Your service is greatly appreciated and it will never be forgotten. To my fellow incoming seniors, let's make this term count. It's the beginning of the end and I hope we can utilize our time this term to reach all of our goals. To all the underclassmen, thank you for sticking around. This organization is truly one in a million and I am extremely glad to be able to experience it with you. With that said, welcome to the 2019-2020 term. Let our new adventure begin bees.

FROM YOUR TREASURER,

KRISTIE POON

DISTRICT CONVENTION

service in wonderland

Every year, Key Clubbers from all over California, Nevada, and Hawaii gather together in one place to celebrate the achievements of the past term. This event is known as DCON, or short for District Convention. This year, District Convention took place in Ontario, California. At DCON, thousands of Key Club members

come to attend workshops, meet and bond with Key clubbers from all over CNH, and of course, recognize outstanding achievements. One of the biggest achievements this year was from Pleasant Grove Key Club. Pleasant Grove has made CNH history with the largest donation to Pediatric Trauma Program with \$15,000 raised!

2019

"DCON was truly an amazing experience. I got to meet so many new people from other divisions and learn so much about Key Club. Through the workshops, I got a better understanding on my duties as club secretary for my home club and how to complete those responsibilities that were delegated to me. However, my favorite part of the whole experience was being able to see the amount of spirit that each individual division has. I saw people decked out in their division colors and holding spirit sticks even though they're a hassle to carry around. I saw every single person's passion for their dedication towards service, for their divisions and regions, and for Key Club. I felt inspired by all these amazing people to become the best secretary I can be for the 2019-2020 term and I can't wait to see what my board and I will achieve!"

MAKYLA CABE | DIVISION 27 NORTH

"I attended DCON 2019 as a presenter, speaker, and candidate. I was constantly bombarded with different appointments, and I never had an hour to myself to catch a break. In all honesty, though, it was worth it. At DCON, I realized what makes Key Club truly beautiful -- the fact that it empowers any high schooler to make a difference in the world. I saw high schoolers, from freshmen to seniors, running workshops that changed hearts. I saw high schoolers making friendships that would make a lifetime. I saw high schoolers with passions for service so intense, they were contagious. At its core, DCON is a celebration of the momentous achievements of the combined effort of thousands of world-changers. What we often forget, though, is that it's also a welcoming of even greater achievements for the next year. Remember the momentous accomplishments of 2019, CNH, and let it inspire you to go above and beyond for 2020."

DANIEL CHONG | DIVISION 28 NORTH

"DCON was such a great experience as it was my first time attending. I saw and felt so much spirit and love for Key Club. I never knew how diverse Key Club can be. I met so many new people from different regions and divisions. I made new friends across the country and am so grateful for them. I have learned so much about Key Club that I haven't known. There is so much more to Key Club than just service. Through DCON, I learned that Key Club is all about family. I felt all the love, inclusiveness, and care from members from all over CNH. Key Club is a second family to me and I will do anything for all the people I've met and bonded with. DCON has allowed me to get closer to people in my home club as well and I have never felt closer to them."

KEY CLUB'S CORE VALUES

KEY CLUB'S CORE VALUES

KEY CLUB'S CORE VALUES

CHARACTER BUILDING

This means being responsible, trustworthy and respectful! Your fellow Key Clubbers rely on you to do everything that you say you will do, so do it, especially if you're an officer. Do not take on too many responsibilities and if your workload gets too much, ask for help! Also, make sure that you're respectful of others opinions. You are not going to agree with everything another person says, and that is just human nature, just make sure you respect it.

LEADERSHIP

Key Club leaders help their fellow club members stay organized, motivated and engaged. You're already compassionate and contribute to your school. That's why you joined Key Club! Start small to make your world better. Pick up litter, hold doors for people, push in chairs when you leave a table and thank everyone who helps you. Work with younger kids at your school, religious organization or in a K-Kids or Builders Club. To younger kids, you're already cool—a leader—and they might be a less threatening audience to start with than your peers. Volunteer to solve a problem. That's the first step to preparing for a local, district or international office.

INCLUSIVENESS

You know how awful it feels to be left out. You can stop the hurt by being inclusive, starting with an open mind and a welcoming attitude. At school or at a Key Club event, talk to that person that's standing by themselves. Initiate conversations with people you don't usually talk to. Avoid basing people off of stereotypes and truly take time to get to know a person. Key Club is so diverse, so take some time to learn about the different cultures that are represented in our club. Trust me, it's worth it.

CARING

A smile is the universal key for entry into any situation because people are hardwired to respond. Those are your mirror neurons at work, says Marco Iacoboni, a neuroscientist at the University of California at Los Angeles. When people see you smiling, their brains automatically imitate the smile and the caring feelings that come with it. Incorporate caring when you: Build smiles into club culture. Each time you see a fellow or potential member at school, ash your pearly whites.

OUR PREFERRED CHARITIES

CHILDREN'S MIRACLE NETWORK HOSPITALS

Members work together by sponsoring fundraising events and conducting service projects at their local children's hospitals. Contact your local CMN hospital and invite a representative to a club meeting to share ideas and create a partnership.

MARCH OF DIMES

Since the 1940s, Key Clubs have worked with March of Dimes to make a positive impact in the lives of babies everywhere. Today, Kiwanis members continue that culture of service by supporting the March of Dimes all year long by hosting service projects, raising funds and educating communities about the crisis of preterm birth.

UNICEF

UNICEF is the only organization of the United Nations dedicated exclusively to children. Working with other United Nations bodies, governments and non-governmental organizations, UNICEF helps to provide for children's needs in more than 150 developing countries through community-based services in primary health care, basic education and safe water and sanitation.

PEDIATRIC TRAUMA PROGRAM

Did you know that unintentional injury is the #1 killer of children under 14 in the United States and that 90% of these injuries can be prevented. The Kiwanis CNH foundation recognized a serious need for education and training in the pediatric trauma and injury prevention. From there, the foundation established the Pediatric Trauma Program in 1994.

Climate change has clearly been an issue lately, so help save the Earth by cleaning up your beaches and parks! It is imperative that we clean up our trash to save our wildlife! Provide gloves and bags and invite your members!

KEEPING SERVICE ALIVE IN THE SUMMER

Summer is a great opportunity for members to get a head start on their hours! Encourage your members to partake in service projects to build loyal membership and keep retention! Organize summer oriented projects and events such as your own region color splash or help clean up your local parks! Although there are no general meetings, take advantage of social media to advertise your events!

**REUSE.
REDUCE.
RECYCLE.**

Keep our environment clean by hosting a recycling drive! Encourage your members to donate cans and bottles to raise money our preferred charities! Contact your Lieutenant Governor to set up a sorting and collection day.

June

SPOTLIGHT ON SERVICE PROGRAM

“HEALTH & SAFETY”

SUPPORT PREFERRED CHARITIES

CNH Key Club partners with these organization to serve children. Host fundraisers or events to support these organizations that are geared towards helping and improving the health of those in need.

- Children's Miracle Network
- March of Dimes
- UNICEF
- Pediatric Trauma Program

EDUCATE

It is important to educate each other on how to stay healthy and safe. Take precautions and spread awareness about safety hazards. Hold seminars and host workshops to inform people about our preferred charities, or simply create presentations for the classroom or local organization teaching children on how to avoid risky behavior and how to stay healthy.

GET INVOLVED!

Your club can always get more involved to improve the health and safety of the community. Host clean-ups or partner with a hospital to make PTP dolls. You can also put together first-aid kits to donate to a shelter, or have members volunteer at a local run or walk. Another event idea is to hold a marathon to promote health and donate profits to a charity. The possibilities are endless!

Make sure to check out the June Spotlight on Service Program Guide for more information! | cnhkeyclub.org > Projects > Spotlight on Service Program

MAY DIVISION RECOGNITION

HAPPY MAY BEES!

Congratulations to those who were recognized in the past month for their outstanding achievements. You are a great contribution to CNH and we commend you for everything that you've done for your home, school, and community!

WELL DONE BEES!

DRIVE

BLOOD

BRITTANY PANGALIMAN | DIVISION 12 WEST

On Wednesday, May 1st, Division 12 West held their monthly annual blood drive in the Branham cafeteria. With over 50 students and teachers that have attended, the drive turned out great and was a success! There were little to no inconveniences and everything was arranged very nicely thanks to the key club members and the blood drive committee. No one passed out and every person left the cafeteria feeling fine and healthy. Some even mentioned that they would love to attend the next available drives in the following future. Both board and regular club members were also able to help out during the drive such as directing the donors to

their respective locations, passing out T-shirts, and serving beverages and snacks. Some also stayed behind after school to help clean up the area. President Karen Nguyen made sure all board members were able to share and spread awareness of the event including posting flyers around the school and adding links on social media. Graphics were also made and many members went to different classrooms during break and tutorials to publicize the event even more. Branham Key Club is incredibly proud to have hosted the May blood drive and hope to be able to recruit even more participates for the next approaching drives.

BAY BRIDGE HALF

DIVISION 2 SOUTH | JANE CHANG

On Cinco de Mayo, KIPP King Key Club had the pleasure of bringing 10 volunteers to the Bay Bridge Half Marathon! We unpacked medals, organized runners' gear, hung medals on runners who crossed the finish line, passed out glasses, and cheered the runners on. While at it, we were able to meet up and bond with some San Leandro and Castro Valley Key Clubbers! So much love was spread around as we grew closer with llamas from other schools.

SILICONE VALLEY HALF

DIVISION 12 EAST | VANESSA HONG

In the month of April, I was able to attend the Silicon Valley Half. I was assigned to a water station to pass out water to participants that ran by and fill cups with water. Although it was quite early in the morning and cold, I was able to provide support for the runners with water and provide service back to the community. It was encouraging to see other volunteers dedicate their time as well as seeing volunteers being enthusiastic to help. If I had the opportunity, I would definitely want to attend this event again!

MAY DCM: SUNSHINE OLYMPICS

DIVISION 30 SOUTH | IVY VI

Western was paired up with Servite High School throughout the day to engage in friendly competition. From balloon popping, this crazy hula hoop hopping game, poncho and more, everyone was getting pretty thirsty and Western Key Club happened to be selling boba! Our very first fundraiser was a huge success! There was also cute Oxford merchandise that members couldn't resist snatching one as well.

APRIL DCM: DIVISION 4 NORTH

DIVISION 4 NORTH | TRAVIS NGUYEN

What we did at the April DCM was astounding and very memorable as our first DCM. First off, we started at 12:30 and had our updates from the many various amazing clubs from the division. Up next, we had awards and the results for the Division team! It was truly surprising and magnificent how we had not only one BUT TWO members from our board recognized during the awards and the division team. Like our member relations, Reva Loquinario obtained the Board Member of the Month which was amazing. I truly found this a great way to recognize our fellow board members by not only being a member but strong and passionate leaders. However, this was not the only fun part of April's DCM. We played a couple of games as well! They were truly memorable and there were games that truly made all of us socialize to other clubs in our division. For example, the way we started

with the knee leg game. We had to sit next to new people we have had never met and suddenly mess up the patterns of the clap-leg-neighbors leg-then clap- then your own. It was truly a fun way to socialize and laugh with your friendly otters. We also played tug-of-war and dodgeball which was also fun! The way we separated into different teams as well helped other clubs get well rounded and socializing to the core. Like our club, we didn't have enough people so we had to team up with Westminster High school Key Club which was really fun and memorable. Last but not least, my favorite activity was dancing with the various groups. It was a very broad way to socialize while still having a fun way doing it. It was the best part of the DCM and I can assure that everyone had fun during that activity! It was truly a great way to start this term with this DCM!!

MARCH FOR BABIES

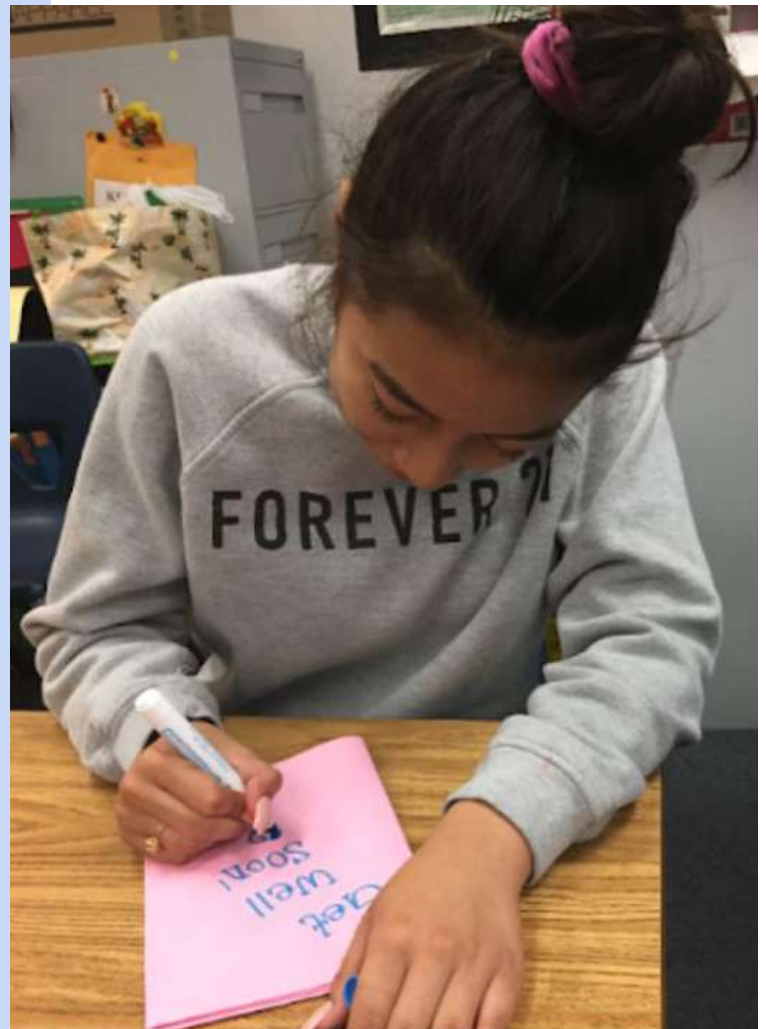

DIVISION 31 | JARED KIM

Helix Charter High School Key Club recently attended a March for Babies event where we cheered for the runners who ran for neonatal tetanus mothers and newborns. At this event, we were able to go all out cheering and interacting with the runners and pets that were brought along. Towards the end of the event, we even had Taco Bell and drinks given to us. It had great entertainment on stage, and I was also able to meet many different Kiwanians. I overall really enjoyed the event, and I hope I get to attend again.

TEACHER APPRECIATION WEEK

DIVISION 28 NORTH | JERYLE SARTE

Key Club has been great this year. This experience has been great, even though I have just started. I have learned so many things from the old board and now being on the new board has completely changed the way I view things. Within a month I have seen the dedication that the board has given to Key Club and the changes that the president has made has really affected Canyon Springs Key Club in a wonderful way. During the last few weeks in Key Club, we have done a service project every week. Last week, we wrote letters for our teachers and Canyon Springs for Teacher Appreciation Week. This week we made cards for the patients at Sunrise Hospital. We try to have the key clubbers do a community service project every week so we can keep them engaged in a fun way!

SPRING FESTIVAL

DIVISION 15 NORTH | LYNA BUI

On the morning of April 20th, the city of Claremont, with the help of many volunteers, hosted the annual Spring Festival. Memorial Park was crowded with parents with their enthusiastic kids, patiently waiting for the events to take place. A variety of booths and attractions were presented, such as the Easter Egg Hunt and Mini Petting Zoo. However, I personally volunteered to help with the Pancake Breakfast. Before the volunteers began their shift, the older Kiwanis volunteers served us pancakes and sausages for breakfast. Even though I ate before the shift, their bright energy and consideration made me take the kind offer. Gradually as more people arrived, the more hectic the lines got and the faster we had to make and serve pancakes. The appreciation of all of the families' brought joy to my heart and encouraged me to continue with a smile throughout the whole shift. The service volunteers provide the community does not only make a difference in the lives of many but creates a positive mindset for themselves as well.
