# ***THE BEE TIMES***

THE OFFICIAL CNH DISTRICT NEWSLETTER

*september*

**HEY CNH!**

Welcome to fall! I hope that you all have had an amazing start to your school year, whether it be your first or last. Make sure you take all the opportunities you can and make the most out of your year.

This is the **most vital time of the year** as there are many major events coming up, like club rush and fall rally. Effectively plan for your club rush as it is the most successful form of member recruitment. Help us reach our district goal of **42,500 dues paid members!** To help officers out for member recruitment, the Communications and Marketing committee has created a folder with an abundance of templates and resources for you to ensure a successful club rush. I wish you all the best of luck in recruiting as many members as possible.

Fall Rally is also coming up so make sure you are on top of everything, whether it be getting chaperones or arranging transportation. For those of you going to Fall Rally North, I hope to see you there.

Seniors, this is also the time for college applications, so make sure you plan out your time effectively to complete all those personal insight questions. I wish all you guys the best of luck in your college applications. No matter where you end up in college, you are going to do amazing things!

As always, if you have any questions, comments, or concerns, please do not hesitate to contact me at anytime. Until next time bees!

# CHARACTER BUILDING

## character-building

*adjective*

1. requiring effort or endurance to a degree that strengthens or improves a person's character.

### **KINDNESS**

Treat others the way you want to be treated! No act of kindness, no matter how small, is ever wasted. Try holding the door for someone, help picking up something someone else dropped, or simply saying hi! These small acts of kindness could mean the world to someone.

### **TEAMWORK**

Teamwork makes the dream work! Work alongside your members and officers to ensure the greatest success for your club. Ask members to contribute to your events by helping set up and clean up. If you are struggling to complete a delegated task, try asking other officers!

### **INTEGRITY**

Having integrity is the KEY to success. Always be honest and upfront with those around you, whether it be on a task you haven't completed or a simple white lie. Being truthful will be 1000x more productive than lying to those around, I guarantee it!

### **FAIRNESS**

You're not going to agree with everything said at your Key Club meeting— unless you're the only one there. But all members deserve to be heard with respect, so consider every viewpoint when making decisions, especially those opinions counter to yours.

## from your governor

Welcome to September, or shall I say, SERVEtember! As clubs begin to resume regular meetings, be sure to put yourselves out there and enjoy the service and spirit of Key Club Fall Season! When new members come in, BEE sure to **give them warm welcomes** and help them navigate through different aspects of Key Club, whether it be event sign-ups, going to DCMs, and etc. When the officers announce service events, don't hesitate to sign up, and bring a friend with you too! Even better, you can totally find and/or create your own service event for the club you serve as well! As schools begin, let's all try to make this the best year possible! For all the seniors out there, I hope you started

on your college applications and standardized testing! **Near the end of the term, there will be scholarship opportunities** from the District and your local Kiwanis that you can take advantage of! Be on the lookout for them! As the term unfolds, you will find that time passes by very quickly! Treasure every moment there is, and take pictures! If there is one goal for everyone this year, it would be to leave no regrets! Thank you for reading! As always, if you have any questions, comments, and concerns, please do not hesitate to reach out to me at any time!

## from your secretary

Greetings, CNH! Welcome to the month of September! I hope you have all had a wonderful start to the 2019-2020 school year, and with school in session, I wish you all a strong academic year of success and service. With the new school year, this means that more responsibilities will pile up, so I encourage you to make use of your time effectively to have time for your activities this year. Dues season is soon, and I hope you are all excited for membership recruitment—the fun general meetings, club rushes, and so much more! Making new friends, taking on new leadership in Key Club, and and much more will ensure that you have a great mental balance for the school

year. There are so many new opportunities, and it is up to your judgement that you make this year YOUR year. No matter what position you hold, you are all important in ensuring the success to Key Club—ensuring that all members make a commitment to meeting the 50 service hour and dues-paid member requirements, that all members commit to practicing “SafeKey” to one another, and that all of us feel included. Have an inspiring and fulfilling school year and term, and I hope to see you all grow as leaders in service.

## from your treasurer

Hello Bees! Another month has passed and I would like to congratulate you all in your hard work and dedication to service. Now that it is September it is important to note that the Membership Update Center will be opening! **If you haven't figured out your club's login information yet or you are still trying to change advisors, please do it NOW.** Remember that dues are an international process and many other clubs will be having the same problems as you are. **Avoid waiting til the last minute** because Member Services will be extremely busy with other requests. Please start promoting dues to the members you serve immediately. Because dues are

an international process as well, Key Club International will be swamped during the fall once dues are payable. This means your dues may not be processed until a few weeks after they receive your payment. To avoid being marked late, please aim to send in dues by the early-bird deadline and to use credit card over check. If you must use check to pay your dues, be sure that you send the payment before the holiday season as the post office gets extremely busy. Thank you for reading this month's issue of The Bee Times! I can't wait to see some of you at Region Training Conference.

## from your trustee

Hello CNH Key Club! In case you don't know yet, my name is Indigo Parlin and I am serving as your International Trustee for the 2019-2020 Service Year. I hope you all are having a great start to the school year! I had a great time last week at the CNH Summer Board Training Conference and I am so happy to be able to serve your district. My favorite parts of the conference were participating in the Summer Olympics with the lovely PIE Committee, meeting the amazing people on your District Board, and learning about the organization and structure of your district! Currently, international is working on creating resources for membership

growth, paying dues using the MUC, and applying for the YOF, so keep an eye out for those! We also are making an ICON recap video amongst other directives. Trustee Challenge: With the start of the school year, I challenge you to invite one friend to join Key Club! With every person that joins Key Club, our organization not only gets stronger, but the positive impact and change we make in our communities exponentially grows. If you have any questions or comments about what's going on in international, please don't hesitate to contact me at [indigonile588@gmail.com](mailto:indigonile588@gmail.com). Thank you!

# WHAT IS FALL RALLY?

Every year, CNH holds a large event called Fall Rally. There are two separate rallies; one in the north and one in the south. Both rallies are held at a Six Flags amusement park to celebrate the funds raised for PTP. Divisions have the opportunity to “bid” on district board members through the funds they’ve raised and the winners get to spend time with members from that division. It is a day filled with spirit and fun, so I encourage all of you to attend!

## Fall Rally North

**WHEN:** October 19, 2019

**WHERE:** Six Flags Discovery Kingdom

**PRE-SALE TICKET:** \$36

**ON-SITE TICKET:** \$42

**For Season Pass Holders:**

Rally Only: \$5 for Rally Ticket - Get from your Region Advisor

Car Parking: \$30 (Discount on extra's order form Save \$10)

Bus Parking: \$30.00 (day of\*) \$20 if pre-ordered

## Fall Rally South

### REMINDER

“Free hugs” and social media @s are to be avoided around the park due to it being open to the public. Spirit sticks are still allowed, but for your safety please refrain from displaying any personal information outside of the rally.

# WHY SHOULD YOU . . .

# JOIN OUR HIVE?

#JoinOurHive is a month long marketing campaign dedicated to showcasing the benefits of joining Key Club to attract potential members!

## THE BENEFITS

**Wings:** Fly to new heights with the various leadership opportunities Key Club offers! Take the initiative to chair a service project, pursue an officer position in the club, or serve in your Division Leadership Team! Grow and develop leadership skills while learning to become an influential leader amongst your peers.

**Honey:** Key Club is also sweet - we stick together and show compassion for our fellow bees! Key Clubbers will always stick by you no matter what situation you're in. Our community is filled with love, so make sure to show your sweet side in this club!

**Stripes:** Earn your stripes with Key Club, and gain the experience to become a successful leader in your community. As a member, you can attend various educational workshops and training conferences to further your knowledge. Attending events such as Fall Rally, District Convention, and Region Training Conference will also help you gain experience!

**Pollen:** Just like bees spread pollen, in Key Club we spread service around the community. Key Club gives you the opportunity to give back and help those in need; you can reach out to people in your community, outside service organizations, and Key Club preferred charities.

**Hive:** Lastly, Key Club represents an 'ohana (family) in one giant hive! The club, division, region, district, and international levels of the Key Club organization benefit from every small difference you make. You can connect with your fellow worker bees from California, Nevada, Hawai'i, and beyond!

## ***HOW CAN YOU HELP?***

**Promote the campaign on social media!**

- **Request for an overlay by emailing [cnhkc.overlay@gmail.com](mailto:cnhkc.overlay@gmail.com) your name, position, and reason why you joined our hive!**
- **Post about your Key Club moment on Instagram using [#CNHKeyClub](#) [#JoinOurHive!](#) Do this and you may even be featured on the District's Instagram Page!**

# Basic Information on Different Types of Colleges

**Different Types of Colleges:** Community, State, Vocational, 4 Year, Public, and Private

## Community

Community colleges provide two-year associate degrees that prepare you to transfer to a four year college to get a bachelor's degree. In addition, they provide other associate degrees and certificates that focus on preparing you for a fixed career.

These colleges are usually an affordable option with relatively low tuition.

## State

In the United States, a state college or state university is one of the public colleges or universities funded by or associated with the state government. In some cases, these institutions of higher learning are part of a state university system, while in other cases they are not.

## Vocational

Vocational colleges supply specialized training in a certain industry or career.

Some examples of programs of study are the culinary arts, dental hygiene, and firefighting. These colleges often offer certificates or associate degrees.

## 4 Year

A 4-year college program is an undergraduate degree program that leads to a bachelor's degree in a certain area of study. These include universities and liberal arts colleges.

## Public vs. Private

Public colleges are funded by local and state governments and tend to give lower tuition rates than private colleges, especially for students who are residents of the state where a college is located. Private colleges mostly depend on tuition, fees, and private sources of funding. Private donations often offer generous financial aid packages for pupils.

# Youth Opportunity Fund

## *What is the Youth Opportunity Fund?*

The Youth Opportunities Fund (Y.O.F.) is funded by the Kiwanis International Foundation to provide fundings for Key Clubs and/or individual club member for **service opportunities**.

There is only **one** funding cycle per year and clubs can request between **\$100 to \$2,000**.

## *How can my club apply?*

- **Deadline - October 15th, 11:59 PM, EST**
- Don't worry, the application is only a few pages long!
- Clubs need to be **dues paid before the deadline!**
- The application must be submitted on-time and must include a detailed description of the project
- Outcomes are emailed the first week of January
- Final YOF Grant Report is due at the end of the grant cycle, **January 1st**

## *Example of a YOF Project*

### **Cy-Fair High School Key Club**

### **Read, Share, Care Tapes for Tots Reading Program for 8 Elementary Schools**

### **Project Grant \$550**

Eighteen books were selected, bought, and read onto cassette tapes for each of the 8 elementary schools. The books were then bagged into Ziploc bags and placed into plastic laundry baskets. All were labeled and delivered to the libraries of each school.

More info about the Youth Opportunities Fund can be found here:

# CNH | KEY CLUB

## Key Leader

### What exactly is Key Leader?

Key Leader is a service leadership education program developed by Kiwanis International for high school students and graduating 8th grade students. The Key Leader mission is to provide a life-changing experience that inspires young people to achieve their personal best through service leadership. The Key Leader Curriculum emphasizes: Personal Integrity, Personal Growth, Respect, Building Community, and Pursuit of Excellence. For more information: <https://www.key-leader.org/Home.aspx>

### Camp Jones Gulch

November 15th - 17th  
Northern California

### Camp Cedar Glen

October 18th - 20th  
Southern California

### Common Misconceptions

1. Key Leader is expensive!
  - a. FALSE! You can get sponsored by your local Kiwanis Club to help cover costs or the complete event.
2. Key Leader is ONLY for Key Clubbers!
  - a. Also false! Key Leader is for any teenager that is interested in attending.

### Where did it come from?

Each Key Leader program is led by a qualified and certified Lead Facilitator, alongside older students who serve as group facilitators, as the programs continues. It flows through large and small group sessions, time for personal reflection, interactive activities, "challenge course" activities, and is anchored by videos.

# A Pharmacist's Mission

As Dr. Sullivan remarks,  
"Everyone smiles in the  
same language."

**Wayne Sullivan** started volunteering in Santo Domingo, Ecuador with the Methodist Church's Volunteers in Mission program on his early mission trips. Now as a retired pharmacist, he wishes to use his profession and knowledge to provide better health opportunities to the people in Santo Domingo, Ecuador and his trip was made possible by the indirect funds raised by the Kiwanis Club of Lexington. Based off of his memorable experiences, he plans on returning back to Ecuador to gift the communities in need, whether it's donating school supplies or handing out his iconic clown noses just to see a smile on the patients' faces.

# CNH KEY CLUB PEN PALS

Starting in September, you'll be able to grab your own pen pal from all around CNH! Take it from us: having a pen pal is one of the most fulfilling experiences you can have in Key Club. This year, we've planned some fun new surprises for the program, but you'll have to sign up to find out what those are. Look out for the Pen Pal form in September -- it'll only take a few minutes to fill out and you could make a lifelong friend!

## *reasons to join the pen pal system:*

### FUN

*It's always a great experience to meet another Key Clubber, and being able to meet a Key Clubber from an entirely different environment than you is an experience you'd typically only find at Fall Rally or DCON. With the Pen Pal system, you can become besties with someone you'd normally never have the opportunity of meeting!*

### LEARN- NING

*Through the Pen Pal program, you'll make a friend that's been raised in a completely different environment from your own. Take this opportunity to learn more about people from different backgrounds while bonding over what makes you similar.*

### NETWO- RKING

*There's nothing quite like having a connection far away from you. A friend that you meet in the Pen Pal program could be a valuable resource in the future if you plan on pursuing a future outside of where you live. It's also always fun (and usually cheaper than usual) to travel if you have a friend in the area you're visiting.*

# Staying **SAFEKEY**

## What is it?

Safekey is staying **mindful** on the internet, especially **social media**, and understanding that what you post has a **ripple effect on your reputation** and the reputations of **the organizations you belong to. (such as CNH Key Club!)**

## How can I stay safe?

### ACCOUNT PRIVACY

- Keep your account on private!
- Only accept followers that you know.

### T.H.I.N.K

THINK before posting!

- T - Is it TRUE?
- H - Is it HELPFUL?
- I - Is it INSPIRING?
- N - Is it NECESSARY?
- K - Is it KIND?

### APPROPRIATE CONTENT

Keep the content on your account appropriate! A good rule of thumb is not posting what you would not want your grandma to see.

### FINSTAS

BEE careful with Finstas! The content present on your finsta represents you as a member of CNH Key Club as well.

# CLUB BYLAWS 101

*We have bylaws?*

Yes! Clubs have bylaws to ensure **order and organization** within the club. Club officers should be revising their bylaws every year. It helps give structure to the club and give reference for future officers!

*How can we update them?*

Visit this website:  
<https://www.keyclub.org/resources/standard-form-club-bylaws/>

and download the document file. Get it signed by your principle and you're good to go!

*Why should we update them?*

It is important to ensure that club policy reflects club practices. Set good parameters for the club you serve and refer back to the bylaws if there is ever any confusion.

# SPOTLIGHT ON SERVICE PROGRAM

## “BEE Clean, CNH!”

### “Walk, Talk, and Clean the Block”

“Our club actually didn't plan for this project. A local family-operated organization reached out to our club and I communicated with them through email. They gave us the date, location, and time, and I then relayed that information back to the rest of my club members. We all met up at a local park and they provided us with all the

materials necessary for the cleanup, which included gloves, trash bags, yellow vests and trash grabbers. From there, we separated into groups and we just helped to clean up our community! This project had a positive impact on our club as it was local. Typically, we would have to go out of our city for service events, but this was different as it was local and very close to home. It was nice, because it directly impacted us! The trash we picked up was along the streets we commonly walked through. Through this service event we were immediately able to see how it impacted our community and our home. This project was very successful and we plan on consistently doing it with them as they have this once every month. As for improvement, I don't have any suggestions, because they are by far one of the most organized groups I have volunteered with.”

Jefferson | D34N | R17

# "D12 Heroes"

"With the help from our LTG, we contacted the environmental department of City of San Jose in order to schedule a neighborhood cleanup. The city staff stayed in touch with us through email and we discussed how we would like the cleanup to be. Our club had a meeting to determine the trash pickup location and how much supplies we would need. Then we signed a volunteer waiver at the City Office, and they let us pick up the supplies (including trash bags, gloves, and trash pickers). On the day of, we prepared everything for our volunteers at the meeting location (which was right at our school) including supplies and food. As the event progressed, we had our volunteers (there were 35 of them) split into two groups going in different directions to pick up trash. They picked up trash on both sides of the driveway and at 12pm of the same day we gathered at our final destination for snacks as well as the event summary. In total, we had over 35 trash bags (the 10-gallon bags) at the end of the event. A garbage truck had been scheduled by the city staff to come and pick up those bags a day after. This project was a good opportunity as it connected our club to different clubs in the same division. We had 20 volunteers (total 35) who came from different schools within D12E to join the cleanup. Although there was miscalculation in the planning process, we still considered this event a success due to the

amount of volunteers and how much we had contributed to keep our neighborhoods clean. I think we need to improve the route of the cleanup. We received some feedback from volunteers which reported the uneven route length between two groups. Some of them had to walk a very long distance to the final destination compared to the other groups. We will try our best to improve it in the future."

**Independence | D12E | R17**

# Planning

"The executive board members and I planned our annual Summer Social event which included Key Clubbers and Builders Club members. Our spirit task coordinator suggested that we incorporate a service project at the event. She got the idea of planning (plastic yarn) from the division

**Monterey Trail | D7S | R16**

interclub that was recently held prior to our social. The service project was easy to plan because we didn't need many materials. In order to prepare for this event, we asked that members bring plastic grocery bags as well as scissors. We incorporated the project in the middle of our social so members could take a break from other activities and focus on service. This service project impacted our club because members were able to learn a new way to reuse plastic efficiently! It was a successful project because most of our members participated and were able to bond with each other while doing so. The plastic yarn is going to be donated to a local church. One thing to improve upon is possibly explaining the reasons as to what plastic yarn can be used for because many members were confused as this project is not super common."

## DIVISION 16 WEST | JULY DCM

From three to five in the afternoon, we gathered on the grass in a circle. We were all split up into six teams for the games that were planned that day. The first game only required two people from each team. Person A will be blindfolded and will be provided a plastic water bottle. Person B will be across from Person A with a plastic cup on their head. Person A has to walk to Person B and pour as much water into the cup. Whichever pair has the most water wins. It was either Person A misses the cup and pours it into their partner's head or the grass or water is getting poured into the cup but Person B spills the water because they are losing control of keeping the cup on their head. Everyone was having a good time whether participating in the game or not.

## TOUCH OF IOLANI DIVISION 22 MAKAI

On July 13, Key Clubbers from Kaiser and other schools gathered at Aiea Bowl to have a little friendly competition to raise money for PTP. We met at 12:00 to make sure we were all there and then we began to get our bowling shoes. After we got our shoes, we began to bowl. Each team was given 2 hours to bowl as much as they could. The competition used the combined scores of all the players on the team for the first 2 games. This year, the Kiwanis won with an alumni team coming in second.

This annual event is one of the divisions' favorite events as it allows us to raise money and have lots of fun at the same time. My favorite part of this event is competing against the other teams from our division to see who can get the best score. It is also fun to be able to meet new people on your team and get to know one another better. I hope this event continues to repeat and I can go next year even after I graduate.

## DOG TOY SOCIAL | DIVISION 36 WEST

This month's DCM was a Dog Toy Social and it was hosted by AB Miller Key Club. We had so much fun making lots of toys with all the cute puppies running around at the same time. Towards the end, we announced the new Spirit team! Overall, it was very fun helping dogs that are in need while also playing with them.

## **DIVISION 44 NORTH | KIWANIS OFFICER TRAINING CONFERENCE**

---

At this event our club was invited to help out at the Kiwanis OTC. We had five members who performed many tasks to assist the Kiwanis with their officer training conference. This was a great experience to learn more about leadership from the Kiwanis. Not only was this event informative, but it also was very fun.
