THE OFFICIAL CNH DISTRICT NEWSLETTER

*november*

# MESSAGE FROM YOUR EDITOR

## WHAT'S THE BUZZ BEES,

Welcome to the month of November! Believe it or not, **we're halfway through the term**; time surely flies when you're having fun! Speaking of fun, Fall Rally North has just passed! In this issue, we'll recap Fall Rally North 2019 and all that we have achieved as a district. Thank you to every single one of you that attended and if you're in the south, Fall Rally South is just a couple of weeks away, so look forward to that!

This month, make sure you show your **gratitude and thanks** to all your friends, families, and mentors that are in your life. Whether it be big or small, every kind gesture counts and is appreciated. Show thanks to your faculty and Kiwanis advisors; they work so hard to ensure that the members you serve have a valuable experience in Key Club. Thank the members for everything that they do; attending DCMS, service events, and supporting you no matter what.

As always, thanks for reading another issue of *The Bee Times*, and until next month, CNH!

## HELLO BEES!

Hello bees! Welcome back to another issue of the Bee Times! As RTCs and Fall Rally North have already taken place, I hope those of you who attended had a lot of fun! If not, there is always next year! **As for Fall Rally South attendees, make sure you prepare for your spirit wears in advance!** Order whatever you need online, finish your spirit sticks/keyblades early, and sleep well the night before because you will need every bit of energy on rally day! I can't wait to meet you all there. As you may have heard or seen, it is currently "dues season," meaning that **NOW is the time that clubs need to turn in membership dues to Key Club International!** For members, make sure you pay your dues to your club as soon as possible! However, if you happen to have missed a deadline, don't worry! **You can become a dues paid member at ANY TIME OF THE YEAR!** It is never too late to join Key Club! For officers, make sure you **update your Membership Update Center roster NOW** and plan to submit dues in the next week! As the dues deadline is December 1st, please

make sure you stay on track. If you run into any problems, please feel free to contact any of the District Executives or your Lieutenant Governor! In addition to dues season, it is also spooky season! One of Key Club's biggest traditions during this time is Trick-or-Treating for UNICEF! Throughout the month (and even after!), try to collect donations and coin changes from stores, classrooms, or when you're trick-or-treating! These donations can become influential if put together! And remember, for the Eliminate Project to eliminate Maternal and Neonatal Tetanus, it only takes \$1.80 to provide a vaccine that can save both the life of the mother and the child! Contact your club officers or Lieutenant Governor if you are interested! This is it from me this month! Thank you so much for reading! As always, please don't hesitate to contact me if you have any questions, comments, or concerns! My contact information is at the back of this newsletter!

*district goal update*

## MEMBERSHIP

*Chusfan Yu*

As a district, we have **988 dues paid members!** The on-time deadline is December 1st, so please make sure you pay your dues!

**988/41,500**  
**2% of our goal reached**

# ALOHA CNH!

It is with great greetings that I welcome you to the month of November. First, to all Key Clubbers from Northern California, I would like to thank you all for your participation in Fall Rally North—it is a *celebration* of our fundraising efforts towards the Pediatric Trauma Program, as well as our service as the CNH District. With less than half of the term left, I encourage you all to continue to raise funds for PTP and serve your communities in our continual push to serve our communities. To Key Clubbers in Southern California and Las Vegas, I am excited to meet you all at Fall Rally South as we continue to celebrate our service and fundraising initiatives.

By the time you read this newsletter, the November 1st deadline for early bird received dues has passed. But don't worry! The December 1st on-time dues deadline is approaching. Please note that dues must be received by

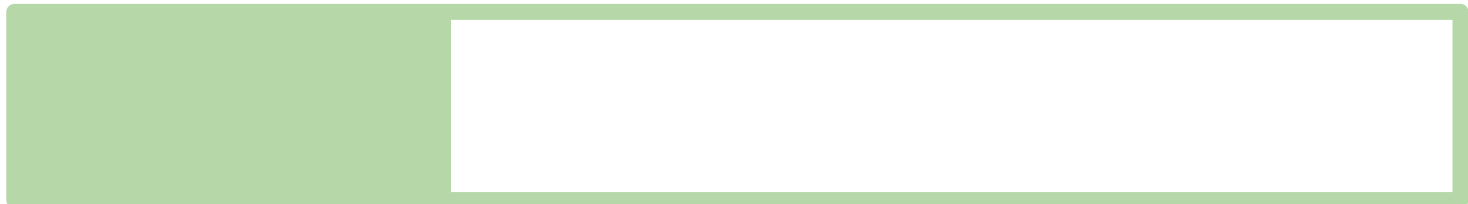

Key Club International, not sent by December 1st; thus, it is imperative that clubs submit dues days, or even weeks, before this deadline. The use of a credit card to pay club dues is highly recommended as doing so will expedite the submission process compared to mailing dues.

With November in session, I'd like to encourage you all to reflect on the current term and say "thank you" to those who have made your Key Club journey so special. Feel grateful for all of the opportunities afforded to you, your friends and your family. For me, I am truly grateful for having the opportunity to serve alongside you all and improving health. It is an immense honor to know that I am a part of a community of service-oriented and spirit-oriented individuals who possess fervor and motivation. Thank you for everything. I am excited to see more of you at Fall Rally South on November 9!

## SERVICE HOURS

As a district, we have served

**420,653.74/1,100,000**  
**38% of our goal reached**

## HEY CNH!

Thank you to those few clubs that have paid early bird dues. Although November 1st has already approached, the on time deadline of **December 1st** is still here. **Please do your best to pay and submit your dues ON TIME.** Remember that you are able to submit dues more than once, meaning that you can pay them batch by batch. The most important thing to keep in mind is that if the first batch is on time, the club will not be marked as delinquent or suspended. Please submit your dues as soon as possible. We currently have approximately 1,000 members dues paid.

To everyone who attended Fall Rally North, thank you for bringing us one step closer to our goal of \$260,000 raised for the Pediatric Trauma Program. Every individual that attended helped us fundraise! At the moment we are at **\$81,708.32** which is

a phenomenal start. I hope that we can increase this number substantially at Fall Rally South.

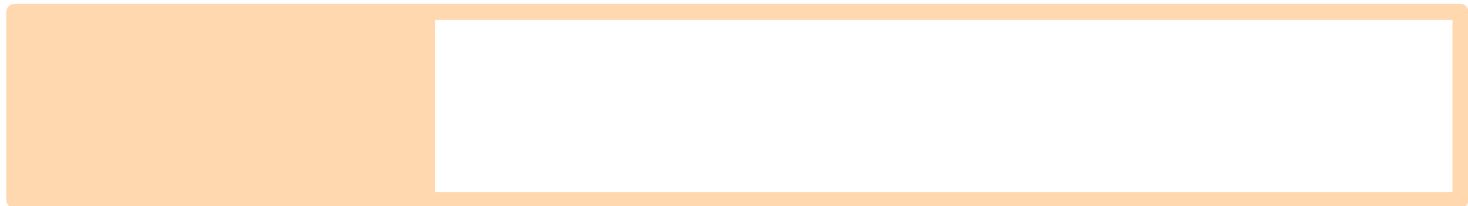

Congrats on making it through half your term. We only have 5 months left, so make it count bees! I'll see you at Fall Rally South and District Convention.

*district goal update*

## PTP GOAL

As a district, we have **raised \$81,708.32 for the Pediatric Trauma Program!** Keep up the great work and let's continue to fundraise for PTP!

**81,708.32/260,000**  
**31% of our goal reached**

# international update

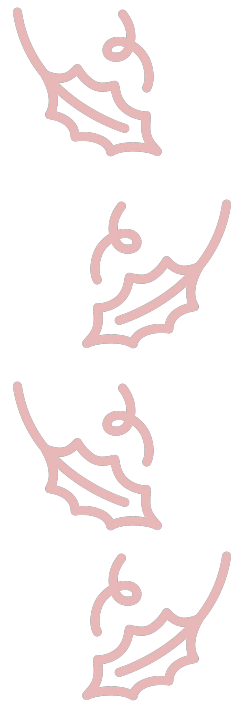

Hello CNH Key Club! I hope you have all had a great start to autumn! Recently, I've been working on committee work with the International Opportunities committee, including finishing off our YOF promotion strong, liaising between Thirst Project and KCI, and working on educational materials for prematurity awareness day on November 17. As a whole, the International Board is working on proposing changes to the Brand Guide, planning for International Convention 2020, and promoting Trick or Treat for UNICEF. In case you haven't heard, MNT is eliminated from the Democratic Republic of the Congo thanks to amazing Key Clubbers around the world!

## Reminders:

- Key Club International dues are due by December 1, however, if you submit them by November 1, you will qualify for the Early Bird Award.
- Trick or Treat for UNICEF is happening this month!
- October 26 is Kiwanis One Day.
- Prematurity awareness day is November 17!

As always, don't hesitate to reach out to me with any questions or concerns at [indigonile588@gmail.com](mailto:indigonile588@gmail.com).

## DCON 2020: Costs & Deadlines

**On-Time  
Registration:**  
\$190/Person  
by 1/28/20

**Late  
Registration:**  
\$230/Person  
by 2/11/20

**Deadline to  
register for  
hotel rooms:**  
2/11/20

**Hotel costs  
will vary!**

Cheaper  
rooms are  
on a **first  
come, first  
serve basis**

**NOTE:** You can **never**  
BEE too early! Make sure  
you are proactively  
planning and  
fundraising to **minimize  
costs for DCON!**

## DCON Fundraising Guide

**Host a restaurant fundraiser! Contact local businesses to set up a good date for your fundraiser; then, advertise to all your friends, family, and classmates. Everyone likes some good food!**

**Ask your peers to participate in a recycling drive! Collect recyclable material to bring to a local recycling center!**

**Host a division/club social and charge for admission or snacks! You can hold your own or contact a local business to do this, and it's a great way to bond with other members as well as raise funds!**

**Reach out to your sponsoring Kiwanis Club or a local business for sponsorship!**

# PREMATURITY AWARENESS MONTH

---

[HTTPS://WWW.MARCHOFDIMES.ORG/PREMATURITY-AWARENESS-MONTH.ASPX](https://www.marchofdimes.org/prematurity-awareness-month.aspx)

## WHAT IS IT?

March of Dimes is a champion for families, fighting for the health of moms and babies in communities like yours and across the country.

## WHY IS IT IMPORTANT?

Most people are not aware of the possibility of preterm birth and the treatment for it. By identifying women at risk for giving birth too early, we can offer effective treatments to prevent preterm birth. Organizations such as CDC offer information on things expecting mothers should do and medical assistance for young mothers.

## HOW CAN I SUPPORT?

**ADVOCATING** - for policies to protect them

**SUPPORTING** - radical improvements to the health care they receive

**PIONEERING** - research to find solutions

**EMPOWERING** - families with tools to have healthier pregnancies

**UNITING** - communities to build a brighter future for us all

**DONATE** - A gift from you can help give every baby the best possible start.

## WHEN IS IT?

The month of November

# KIWANIS

## Children's

# FUND

## Scholarship!

### *What is it?*

Kiwanis Children's Fund scholarships are designed to help graduating seniors who are members of Key Club International. The scholarships available are the **Linda Canaday Memorial Scholarship**, which awards \$2,500 dollars, and the **Harry S. Himmel Scholarship**, which awards \$500 dollars.

### *Deadline*

Applications are accepted online and have a due date of **February 1st, 2020**.

More information about the scholarships will be released on **November 1st**, including the scholarship requirements.

# FOR

# College!

# Jones Gulch

KEY LEADER

APRIL  
**17-19**

Weekend long experiential leadership program for today's young leaders!

Cost includes all meals, lodging and program material  
for the weekend.

# Registration

## WHY?

Helps participants in developing important social and emotional skills, which allow them to understand self and develop meaningful connections with others

**SELF-AWARENESS**

**SELF-MANAGEMENT**

**SOCIAL AWARENESS**

**RELATIONSHIP SKILLS**

**RESPONSIBLE DECISION-MAKING**

• \$275 Student Participant •

Any student in the 9th - 12th grade.

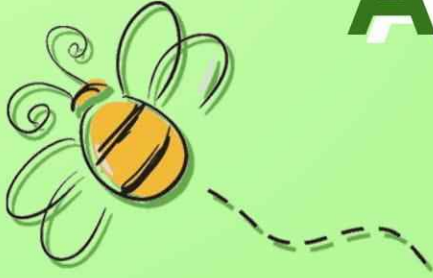

• \$200 Student Facilitator •

Key Leader Graduate and entering the 11th or 12th grade. There are only a few Student Facilitator spots available and all applications are subject to review prior to camp. A confirmation email accepting you as a Student Facilitator will be sent 2 weeks prior to camp. If not selected, you may still attend camp as a participant.

• \$200 Adult Chaperone •

Adults age 21 and older may apply to be an Adult Chaperone at a Key Leader Camp. This requires the adult to be an active adult participant throughout the weekend. Adults must adhere to the same code of conduct and requirements as the students and are asked to not leave the camp site during the weekend. A Kiwanis Background Check must be completed 4 weeks prior to camp and be returned cleared to participate.

# MEET ARIANA... A (MILLENNIAL) KEY LEADER

Ariana Nikmanesh learned about Key Leader through her role as lieutenant governor for the Rocky Mountain District. **“I owe my ethical decision-making skills to Key Club and events like Key Leader.** Without it, I would have probably let it slide just like everyone else.” **Learning to make a difference** through events like Key Leader also helped Nikmanesh become one of the

founding members of the National Millennial Community (NMC), a group of millennial thinkers who desire to change the conversation about our generation. Nikmanesh also was appointed to serve a number of other positions. She expresses that “it is because of Key Club and events like Key Leader that I have learned how to make a difference and have **identified my purpose as serving others, fighting for women and making the world a better place.**”

You can find more information about Key Leader at:  
**[key-leader.org](http://key-leader.org)**

# Key Club Week

**WHEN IS IT:**  
**November 4th-8th**

WHAT  
CAN  
YOU  
DO?

## **Monday - Show your K:**

Show people what Key Club is all about! Spread the word by wearing Key Club gear and publicizing Key Club Week in local stores, your school website, community newspapers—even on the radio.

**Tuesday - Kudos to the Key Players:** Personally thank all the Key Club supporters you know—teachers, advisors and other Key players. Write thank-you notes, host an appreciation dinner or do something uniquely your own style to recognize the contributions of these special people.

**Wednesday - Dare to Care:** Key Club has three preferred charities—UNICEF, March of Dimes and Children's Miracle Network. Take time to focus on service projects that help support these causes such as making non-slip socks or capes for your local CMN hospital.

**Thursday - Random Acts of Kindness:** A smile goes a long way. Spread happiness throughout your school by doing little random acts of kindness such as leaving cards with inspirational messages on every student's locker or just simply holding the door for someone else. Challenge every member to complete at least one random act of kindness.

**Friday - Connect the K's:** Key Club is the largest high school service organization in the world and is a member of the Kiwanis family. Celebrate the entire family of Kiwanis by getting the whole gang involved. Connect with local Kiwanis, Circle K International, Builders, Kiwanis Kids or Aktion clubs and team up for a joint service project.

# Kiwanis Gives Online

**Kiwanis Gives Online** is a "crowdfunding" platform that utilizes the power of email and social media to raise money for your service and fundraising projects. **Kiwanis Gives Online** will allow all of our Kiwanis of our Kiwanis sponsored club members to ask friends and family for online donations, no matter where they live.

## **1. How will the Club receive the funds?**

All funds will be deposited electronically into the bank account of your school, or other sponsoring organization (minus credit card and vendor processing fees). When your club leader activates your fundraising page, he or she will input this banking information.

## **2. What is the cost for starting a fundraiser?**

There is not a starting cost for the fundraiser to happen!

## **3. Is there a limit on the number of fundraisers a club can run?**

No, but it is recommended that you only run one fundraiser at a time.

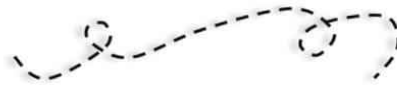

*Kaylyn  
Zheng*

#MyKeyClubStory  
Division 10 North  
**EXECUTIVE ASSISTANT**

## Hello CNH Bees!

My name is Kaylyn Zheng and I serve as Division 10 North's executive Assistant. I am 16 years old and I like to watch Korean dramas and reality tv shows.

Sincerely,

*Kaylyn Zheng*

## Key Club Questions:

### What is your favorite experience in key club?

My favorite experience is when I went to fall rally my sophomore year. It was amazing to cheer with my division and meet new people from different regions and divisions. It was also exciting because I went with my friends and we got more involved with key club.

### What are the hardest challenges as an officer?

The hardest challenge was wondering if I could work well with people I didn't know. However, once I got over my shyness, I found that I could work well with people I didn't know, and in the process become friends with them.

### What keeps you motivated as EA?

Seeing my Lieutenant Governor, Kiara Tatsuno, and my division happy, keeps me motivated as an EA. It keeps me motivated because I don't want to disappoint anyone and I want my division to be the best that it can.

### What made you continue to stay in key club?

I continued to stay in key club because I met many amazing people and I wanted to continue to work with them. Key club has also helped me become a better leader and I want to continue to improve myself and contribute more to the club.

# DUE PROCESS

Removal of an officer should be the last resort. The Board of Directors should help the officer in question grow and learn.

**STEP 1** Any member may recommend the removal of a club officer to the Board of Director.

**STEP 2** The President & Advisor should meet with the officer in question to privately discuss how the officer can improve their performance.

**STEP 3** If the officer continues to fail to fulfill their responsibilities, the Board of Directors will need to hold a meeting to either approve or reject the recommendation.

**STEP 4** If approved, a meeting should be held with the entire club to vote on the removal of an officer.

**STEP 5** 2/3 quorum of dues paid members is required in order for the removal to be approved.

**STEP 6** In the event any officers should be removed from office, the officer should be notified by the secretary in writing.

**STEP 7** The school, advisors, and Lt. Governor should be notified of the removal.

Refer to the [Key Club Standard Club Bylaws](#)  
Article VI: Officers > Section 7. Removal of a  
Club Officer

# SPOTLIGHT ON SERVICE PROGRAM

## *Pediatric Trauma Program*

### *No-Slip Sock-Making*

Mills | D34N | R17

“Our club was looking for ideas for the September SOS, and we decided upon making no slip socks for children to donate to a local children's ward. I talked with the president of South San Francisco, and we coordinated a location, date, time, and supplies. They booked a meeting room at the South San Francisco Library on Grand Avenue from 1:30pm - 5pm. Our Key Club hosted a sock drive where donors were put into a raffle for free spirit gear. We also bought socks and squeeze bottle fabric paint from Amazon. We brought the supplies to the library, and together with South City, we made no-slip socks with fabric paint and socks. We ended up leaving the socks in the library for the weekend to dry before picking them up later next week.

Before, most of our service projects usually consisted of volunteering at an organized event, like a festival. While these are fun and entertaining, making no-slip socks gave us the chance to have a direct, charitable impact on someone else. We know that someone will end up enjoying and wearing what we made. I believe that the

project was successful -- we ended up making over a hundred pairs of no-slip socks, and everyone had fun at the same time.”

# Socks For Kids

Oxford Academy | D30S | R3

“We planned a non-slip sock service event at a local park near our school. Because of the expected heat in our area, we tried to find an event that would not be labor-intensive; however, the most important aspect of the service project was that it had to be fun. Getting the required materials was the most difficult part. Our school has regulations that prevented us from shipping items directly to our homes from Amazon, so we had to wait until the package were shipped to our school. After that, all we had to do was create a spreadsheet asking for sock donations. Initially, very few people signed up for this event. If this service project was incorporated into a larger event, such as a social, I think that many more people would have showed up. Thankfully, a lot of people signed up last minute. Although the project was not as grand as others, it was a very fun event. Since we planned for this event to run for three hours, and we were all close in proximity, people who had never talked to each other before were able to interact and bond. But, most importantly we made a large box worth of socks that the kids at a local hospital will definitely like.”

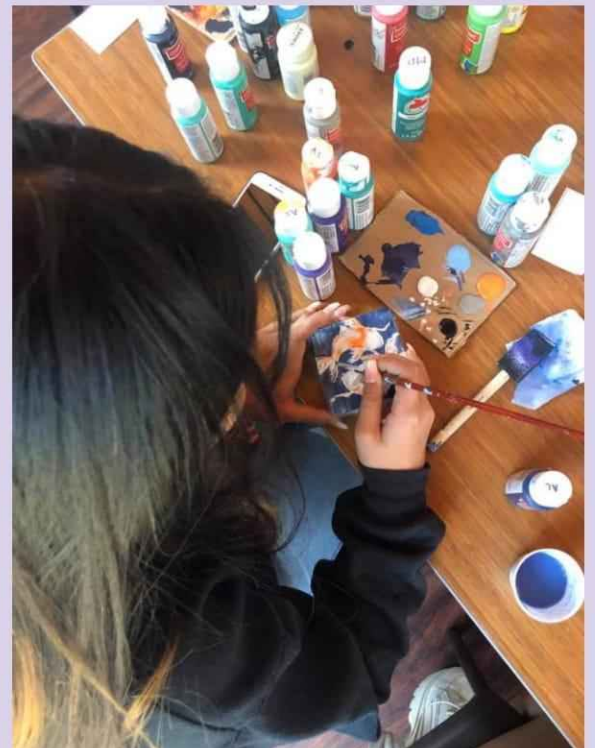

# DIY First Aid Kids

Independence | D12E | R17

“With the help of Interact, we planned to have small boxes that volunteers can paint and fill with various bandaids, ointment, and alcohol wipes that were all ordered from Amazon. The day of, we set up our local library community room so that putting together the first aid kits would be “buffet style,” starting off with grabbing a box and going down the line with all the other items used to fill the kits.

After all the kits were painted, a local family shelter was contacted and will soon be receiving the kits.

The event was a fun way to get our volunteers together to show everyone’s creativity. The event was very successful with 30 volunteers. A problem that we did run into was limited supply since it was a little pricey, so for the future we would definitely try to find a more budget friendly way to hold this event so we can have an even greater volunteer turn-out”

# Kiwanis & Ronald McDonald Houses

“Presidents of both Key Clubs got together, discussed ideas, made a final decision, and put it out in emails, reminds, discord, and club meetings to the entire division. We distributed the wish list for each house and asked members to donate objects on the list.

**Kaiser | D36W | R4**

We had the collection at our September DCM. On September 21, 2019, the Kaiser and Jurupa Hills Key Clubs from D36W joined forces to collect items for donation to both the Kiwanis House in Sacramento and Ronald McDonald House in Loma Linda. The Ronald McDonald House received three paper boxes of food, two large boxes of personal hygiene materials, an extra large box of disposable kitchen items, and two medium boxes of cleaning supplies. Overall, over 1,000 items were donated to Ronald McDonald House. The two clubs also raised \$130 to be sent to the Kiwanis House so they could purchase what they needed themselves.”

## Special Thank You to these Key Clubs for submitting to the September Spotlight On Service Program:

Thank you for your continuous dedication to your homes, schools, and communities bees! I know that you don't hear this enough, but I genuinely appreciate each and every one of you for your unwavering dedication to Key Club.

**MEMBER RECOGNITION CHAIR**  
**QUEENIE LAMB** 

# FALL NORTH

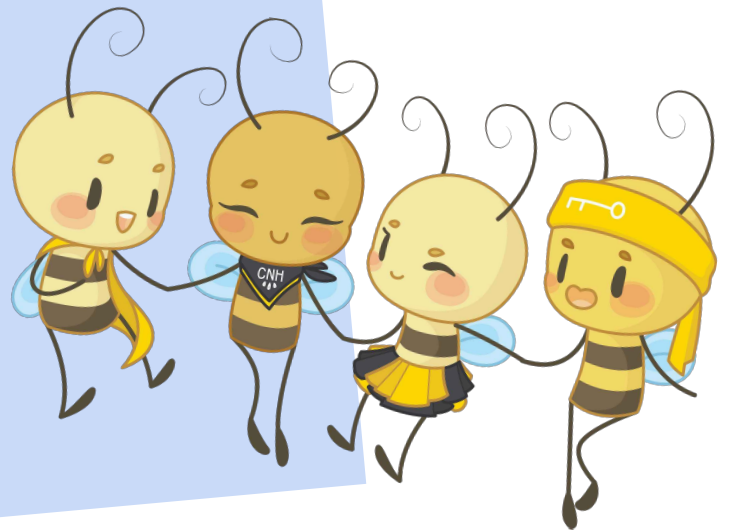

---

CNH, thanks for making my last Fall Rally North so memorable. I had a blast meeting you all, forming closer bonds with those I already, know and most importantly, raising money for PTP. We have achieved so much as a district and I can't wait to see what else the rest of this term has to offer.

# RALLY

# H 2019

## **DIVISION 12 EAST LTG TONY HONG**

Knowing this year's Fall Rally North would be my last one, I knew I had to maximize my experience. Having attended two FRNs already, I knew what to expect. I expected cheering, meeting new people, and having a lot of fun. However, I wondered how my experience would turn out since I would be experiencing FRN from a totally different perspective.

As soon as I arrived to Six Flags, I was already hearing cheers from different divisions and I knew that it was going to be an amazing day. This year, I decided that I would not ride on any rides because I really wanted to prioritize hanging out with Division 12 East as well as people from other divisions. Before our rally, I waited outside the bleachers and talked to other Key Clubbers. I was super excited because I knew that Division 12 East had worked so hard to prepare for FRN and I really wanted to see everything we worked on. I was also excited for the other divisions as their energy before the rally was incredible.

A few hours later, the previous rally had just finished and it was our turn to participate. I felt

very nervous but also very excited walking into the rally. I really wanted to enjoy my last rally session of my Key Club career. Overall, the rally turned out exactly how I had expected. There were so many Key Clubbers and the energy was through the roof. I really enjoyed listening to every division's cheers and being on that stage is an experience that I will never forget. Personally, I was super proud of Division 12 East because I was able to see that all the hard work had paid off and it was super satisfying to see that everyone was having an amazing time. Sadly, our rally session did come to an end and it later hit me that it was my very last one. I was extremely satisfied though, knowing that as a district, we all had so much fun and raised so much money for the Pediatric Trauma Program.

Throughout the rest of FRN, I took a ton of pictures, met new people, and participated in spirit battles. Overall, I knew that this FRN was my most favorite FRN because I was able to fully take in all the spirit and the experience from FRN. If I could attend FRN again I definitely would because it is one of my favorite Key Club events.

## THE BIGGEST LITTLE DIVISION | D23 LTG GRACE YUM

On October 19th, we had one of CNH's biggest events of the year -- Fall Rally North! Going into Fall Rally I was beyond stressed out, however after seeing the members in the Division I serve, cheer their hearts out and seeing all the pure joy in their faces made the months of stress and preparation all worth it! Division 23 was able to raise triple the amount of PTP funds than our initial goal and I am so beyond proud of all my members for all the dedication and commitment they have shown for Key Club! Although we didn't win the spirit stick, we made it to round 3 and i couldn't be prouder!! Seeing everyone at Fall Rally made me realize once again, how life changing and impactful Key Club can be. I hope Fall Rally doesn't mark the end of your term, but I hope it inspired you all to continue on to serve your home, school, and communities! Key Club has so much left to offer and I hope you all stay to see what's left in store for the remainder of the term! For the last time, I hope to see you all at next years Fall Rally!

## RELAY FOR LIFE | DIVISION 35 EAST

On Sept. 21 Walnut Key Club participated in Relay for Life. During the event we helped set up booths, helped with food, walked around the track and participated in the various activities they provided. Although there were multiple shifts, we still had people volunteer for the entire 15 hours! In the morning we came an hour before the event started to set up booths. Towards the middle of the day when we had free time many volunteers were walking around the track and hanging out. Then at night we helped lay out decorated paper bags dedicated to people to have or had cancer. My favorite part was when we were watching the performances they had at the stage and doing zumba with the Zumba instructors. Everyone had really high energy when cheering for the performers and we had many people from our division doing zumba. Relay for Life is one of my favorite events to go to because there's always a lot of time to bond and meet new people.

Redwood Key Club participated in the RHS Homecoming Parade held on Friday, September 27th on main street. Members in Key Club were excused from their 4th, 5th, and 6th periods to help create and decorate their club float. Then they all marched in the parade that was held after school. All the members had a fun time representing the key club way.
