"Stay buzzin' CNH!"

IP MDE Chair
Josh Placido!

BUZZ BUZZ CNH!

Looooook who's back! Bet you guys missed me ;). After three days filled with Key Club, I hope you all enjoyed District Convention 2023. With more attendees than DCON 2022 and 130+ award recipients recognized on stage, DCON 2023 was definitely one for the books. To anyone who's been experiencing post-DCON depression symptoms (don't worry because me too), you've come to the right place! This May newsletter will cover everything DCON related, from general sessions to award recipients.

If you are looking for an event just like District Convention, I highly recommend for you to attend **International Convention 2023!** Each year ICON takes place at a different location... So make sure you don't miss out on the year that ICON is hosted at **OUR HOME DISTRICT**, CNH. For more information about ICON, please contact your Lt. Governor.

Special thanks to everyone who participated in DCON as a member of the Creative Media Team, SAA, and delegate! CNH's success in a smooth running DCON is thanks to you guys. :)

With that said, I hope you enjoy my *FINAL* ever newsletter of The Bumble Times. Although this is my last issue, get ready for the next volume of the District Newsletter coming this June!

For the final time,
With many buzzes & bumbles,

Joanne **Joanne Do**
Immediate Past District News Editor

charities and major emphasis

INTERNATIONAL PARTNERS

PREFERRED CHARITIES

KEY CLUB VISION PARTNERS

KEY CLUB COLLABORATIVE PARTNERS

MAJOR EMPHASIS

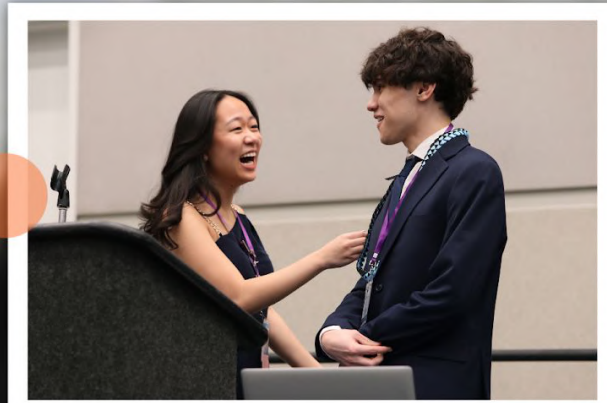

In 1946, the organization was challenged to build a program to bring together all Key Clubs and members to focus energies on making an international impact. This program is still followed today through the Major Emphasis: Children: Their Future, Our Focus.

To fulfill the Major Emphasis, Key Club International serves children in many ways. By working with Key Club International's partner organizations, Key Clubs serve children by aiding other organizations committed to serving children. Key Club International celebrates its three partnerships: UNICEF, March of Dimes, and Children's Miracle Network.

The Key Club service initiative is another element of the Major Emphasis and is created on a two-year basis. All of the hands-on service provided to children by Key Club International members is directed to a single area of need, to make a substantial impact.

REGIONS 4, 6, AND 16 *session*

Of all the things I love about DCON, **Region Sessions is one of my favorites**. I say this because during region sessions, the presenters have **games** ready and try to mix up divisions and they compete with one another. Its also a great way to make **new friends**. At last years region session, I was very shy until someone, who was also shy, came up to me to start a conversation, so it wasnt as awkward. Near the end of the regional session, me and that person couldnt stop talking and were still friends today, **HI JAYLA :D**. This years DCON Regional Session was also very fun because this year, the LTG Elects had a fun yet **educational skit** to show off to the member. After the skit, we played a game of charades and everyone was just laughing because of all the silly gestures we did. Before we knew it, time was up but **new friendships** were made. Time flies when you live in the moment.

REGION SESSIONS

Region sessions are hosted by both the board of Lt. Governors and Lt. Governor elects respective to their regions. Fun skits, games, and new memories happen during this session!

SKIT: Sometimes Lt. Governors and Lt. Governor elects will perform a fun little skit in order to teach their members.

Photo provided by
D27N Angelina Nguyen

BONDING: A lot of activities will take place, so expect to make new friends and memories at region session!

D34S Lauren Gaela

REGIONS 10, AND 11 *Session*

At the Region Session, I was in room 203A with Region 12 and another region. We split into four groups and **played Song of Solomon** for a while before playing **Soulmates**. It was my first time playing Soulmates, actually. It was confusing at first, but once I understood it, I had so much fun. I really enjoyed it and it was a **great introduction to DCON**. I mostly sat with my friends for the duration of Soulmates, but I had a conversation with my LTG and we conversated about our trips down to DCON and how we were liking DCON so far. I got somewhat close to my LTG that way because our experiences with the game were similar. I really enjoyed getting closer to my LTG and learning how to play a new game with people I knew and didn't know.

GENERAL SESSION *one recap*

DISTRICT BOARD INTRODUCTIONS:
 Meet your District officers serving CNH!

The very first day of District Convention was filled with **ribbon-buying, meet and greets, and division spirit, and General Session 1** was the perfect end to this very eventful day. As we settled into our seats divided up by region, the session began with Governor Ashley officially welcoming us to DCON 2023: **The Sea of Service!** Soon after, we were introduced to the current District Leadership Team, Lieutenant Governors, and Lieutenant Governor-Elects. It was the first time that I saw so many familiar faces in person—no longer were they someone on a screen over social media. **Roy Juarez Jr.** was then introduced as our Keynote speaker and by hearing his story, we were able to further understand the value of **perseverance and purpose.** Overall, General Session 1 was just a sneak-peak at all that DCON had to offer!

EDUCATION

Recently I attended DCON and workshops. Since this was my first organization, but these sessions were a memorable workshop was, **How to Lead** by Kyle Hanson. This workshop was able to enable me to realize the significance of recognition, both of which our organization has learned other **valuable lessons** at the conference. I gained **leadership abilities**, understanding the organization and communication topics. I discovered a lot about the opportunity to attend these workshops and use these skills in the upcoming

SHOPS

present and share their knowledge to Key Club and Hawaii!

ANAL SESSION

recap

and had the opportunity to participate in several educational workshops. In my first year in Key Club, I lacked a lot of knowledge about the club. These sessions certainly opened my eyes. I'd have to say the most helpful was **How To Become Key Club Famous** with Shanelle Relucio and it was not only **enjoyable and fun**, but **extremely educational**. It highlighted the significance of social media when growing a club and gaining members. My club lacks. Aside from this particular session, I learned many things from other workshops. For instance, developing **confidence** and **fundraising**, **funding and sponsorship**, increasing one's involvement in the community, balancing work and mental health, and far more. I learned about Key Club, its principles, and values after having the workshops, and I'm now even more eager to see how I can grow my term!

KIWANIS EXPO recap

From learning many fun facts about Key Club to meeting the Kiwanis Family, International President and Trustee, the Kiwanis Family expo was one of the most memorable parts of DCON for me. When my friends and I heard about the opportunity to acquire a new shirt, we immediately lined up to grab a **scavenger hunt** paper and scattered ourselves towards the tables. The first table we stopped by was **Lillian and Ahmed's** where they introduced us to **ICON**. It was super cool meeting them in person and getting to know their welcoming personality. Each table had fun activities that included making paper cranes and answering trivia questions such as 'What are the four core values of Key Club?' and 'Which charity is heavily emphasized in CNH?'. I was super excited to receive a **D04C shirt** that had an **adorable frog design!** My friends and I enjoyed traveling from table to table while getting to know the Kiwanis Family. **L-O-V-E We love our Kiwanis Fam!**

SERVICE EXPO

recap

Every year at District Convention, the Service Projects Committee hosts a Service Expo to showcase club projects and work on a service project together. This year, we chose to make red, white, and blue leis to give out to veterans for Veteran's Day. This was an excellent opportunity for attendees to learn how to make a lei while **giving back to our veterans**. Many made their first lei with us and bonded with other members, officers, and advisors over the experience. Personally, I have had experience making several leis in the past and was able to help teach other Key Clubbers about our tradition of **making leis**. I had a great time making the leis and I hope that the leis we created **brighten the days** of those that receive them.

GENERATION SESSION

FROM THE IP KIWIN'S DGOV

Carmen Tan

Yoohoo Busy Bees~

How is post-DCON recovery treating you all? Thank you for inviting me to join you at your Sea of Service District Convention! From attending educational workshops and listening to cheers, to seeing people I have come to know during this past year walk the stage for awards, I could not be more proud to see how much your district has accomplished.

Throughout this short time I spent with you all, I was so happy to see so many of you at the **Kiwanis Family Expo**, actively engaging and taking the time to meet and understand all the **different branches**. Although I will be busy in the retirement home ranking up in Valorant, I sincerely hope to see **KIWIN'S and Key Club** continue to build stronger relations with not just each other but with all the branches of the Kiwanis Family.

Thank you for all the amazing memories stored up in just one weekend and once again, **congratulations** on another successful year of service.

Forever yours in service,

Carmen **Carmen Tan**

GENERAL SESSION 3

As I sat in my seat waiting for the awards to come with my Division 12 South supervillains, I began to grow more and more excited to see my roommate get **recognition** for their hard work on stage. Before his recognition, however, there were so many other forms of recognition that showed a **spotlight of service** on other members at DCON that **inspired** me to make a bigger impact on my community for the next term. I was greatly impressed with Santa Teresa and Oak Grove, two of the schools in my division, and I saw how many **outstanding and distinguished awards** they received. With the spotlight on them, I am inspired to help our club grow to further heights and incentivize a **legacy of service** so that next year, our club will be able to shine in the spotlight with them.

GOV. BALL ATTIRE: Dress formal and have a fun time with friends in pretty outfits!

Celebrate the end of the term by dancing your night away at Governor's Ball!

Picture provided by D12S Tiffany Yeung

A perfect way to end off the second night of DCON 2023 was the **glitz and glam of Governor's Ball**. With blue balloons being tossed around, colorful laser lights, and music blasting through the speakers, the energy was high as Key Clubbers **sang their hearts out** to songs like California Girls by Katy Perry and Kiss Me More by Doja Cat. Natalie Topper one of Quartz Hill's Vice-President remembered the ball as, "The best time of my life, it was amazing dancing with my fellow Key Club Bees across CNH, I would do it all over again if I had the chance". Although, if dancing the night away with fellow Bees was not someone's cup of tea, there was always the activities room where **students played intense games of UNO and Sorry** with fellow Key Clubbers. D38W/16Oasis IP LTG Mari Nuesca exclaimed, "The activities room allowed me time to recover from the wave-rocking tunes of Governor's ball. Throughout the night, we got to learn about one another and bond over our love for Key Club". As the night flew by as fast as it had come, Governor's ball was definitely a highlight in many people's experiences, **leaving many memories of DCON to take home.**

GOV. BALL & ACTIVITIES

recaps

Hi! My name is Lizzie (she/her). I come from Division 13 West Hedgehogs! A fun fact about me is that I am extremely scared of bugs—especially spiders, mosquito hawks, and June bugs. This year was a Blast! An event that stood out to me this year was the Governors Ball. As a freshman, and someone who is not in any sort of leadership position, I was nervous about **real** dancing with people who I had only ever seen on a screen or on stage. I can't lie and say that I wasn't beating out of my chest whenever I saw the international trustee, **Ahmed Eldeeb** on the dance floor. About 30 minutes before the dance started, I visited Ballroom B and checked out the activities. I didn't participate in any of the activities, but I enjoyed sitting down for a little bit, talking to my roommates and making new friends. To be honest, I had a great time and I am so ready for 2024!

RETIREMENT

Farewell to the 2022-2023 term...

Photo provided by
D43 MJ Bagaoisan

Photos provided by
D30S Brandon Duong

From soaring to new heights, we busy bees setting our hive up for a successful term.

Now I am at the **retirement home** where I see familiar faces of my fellow IrreplaceaBEEs. I am sitting in my rocking chair, reminiscing of the past and **excited for the future** for our 2023-2024 Bees.

Retirement gives me peace as I know our 2023-2024 District Board is an extraordinary group. I now have to remove all the reminders of Division Submission off my phone.

As this is my senior year, I start to plan for the future. I hope to return to the **Kiwanis Family** as a **Circle-K** and then **Kiwanis** member, maybe one day a Key Club Advisor.

I ask for you my grad-bees to gather around for one last story. **Key Club is more than a club**, it is where my **Ohana** is. As you soar through next term, be proud of the wonderful leader you are and know that your fellow bees and I bee-lieve in you.

2023-2024

INDUCTION

and welcome to the 2023-2024 term!

A **bittersweet ending** to DCON was the induction ceremony for the **2023 - 2024 District Board**. The feeling of standing up on the stage while your division was cheering for you was exhilarating, and the prospects of the upcoming term was exciting. It was sad knowing that many members' Key Club journeys are now over. But that means us new and continuing members get to **carry the torch and help our divisions soar to new heights!** I am excited to see what the Execs and my fellow Lieutenant Governors will achieve in this upcoming term.
