WHAT'S BUZZIN' CNH!

As school is quickly approaching, it's crucial to keep in mind Key Club's main theme, "Children: Their Future, Our Focus", which also aligns with the August SOSP theme, Children's Education. You may discover suggestions for service projects, fundraisers, and club/division events that you can hold for this month.

We hope this guide proves helpful in supporting yourself and others in your community in returning back to school. If you have any questions, comments, or concerns, please feel free to email me at sp.chair@cnhkeyclub.org.

SCHOOL HOUSE

Schoolhouse is a free virtual tutoring program in which volunteers offer their time to help students with their coursework. Through this program you can apply your academic skills over a variety of courses to help students excel! As an added bonus every district in Key Club International is currently competing in a Tutor-a-Thon with School House. The goal that reaches their tutoring goal first wins and being the largest Key Club District in the world, CNH has the biggest goal of 1,600 life help sessions. We are counting on all of you to help us reach that goal because the sky is the limit for CNH.
