WHAT'S BUZZIN' CNH!

BRRR! It is winter! I hope everyone has had a great winter break. A fun winter activity is giving back to your community and helping those in need. This is a great way to meet new people and build new relationships.

We hope this guide proves helpful in providing themed events and raising money for this initiative. If you have any questions, comments, or concerns, please feel free to email me at sp.chair@cnhkeyclub.org.

EVENT IDEAS

HOST A PANEL DISCUSSION

Contact notable people affiliated with charities, organizations, and community programs in your area with a shared goal or common affiliation such as entrepreneurship or youth mentorship and invite them to participate in a panel discussion for your school or Key Club. The panel discussion would be led by officers then you may open the floor up for any members to ask questions. This is a great event and irreplaceable opportunity as it allows members to hopefully connect with someone and learn more about a field of interest but also gives the panelist a chance to inspire youth and potentially gain new volunteers and youth leaders.

SHOE DRIVE

Find a local charitable organization to donate shoes to and host a drive throughout your division! Give the gift of new "kicks" this new Year!

NEW YEAR'S SOCIAL

Host a New Year's potluck social for your club or division. You can collect donations for admissions to fundraise and combine this event with a service project.

PROJECT IDEAS

“RENT” A KEY CLUBBER

For a unique service opportunity, contact organizations that accept youth volunteers and ask to plan a day for your club to come out and assist them in any way possible.

BLANKET DRIVE FOR DOGS

Chances are your local dog shelters are in need of blankets. Reach out and ask if you can donate and what the policies for donation would be. You could also potentially combine this with dog toy making and dog bed making.

SERVE YOUR LOCAL ELEMENTARY SCHOOLS

Reach out to your local elementary schools and ask if they have any volunteering opportunities for high school students. You may also potentially be able to involve a CNH partered organization and give a presentation on mental health by Erika's Lighthouse.

FUNDRAISER IDEAS

KRISPY KREME FUNDRAISER

Celebrate the New Years with a sweet treat! Krispy Kreme fundraisers are great for your school or for DCMs. There are flexible payment options with pay ahead, pay in person, or virtually buying vouchers.

NEW YEAR'S GRAMS

Sell New Year's Grams to allow people the opportunity to send messages to their friends

SCHOOL HOUSE

Schoolhouse is a free virtual tutoring program in which volunteers offer their time to help students with their coursework. Through this program you can apply your academic skills over a variety of courses to help students excel! As an added bonus every district in Key Club International is currently competing in a Tutor-a-Thon with School House. The goal that reaches their tutoring goal first wins and being the largest Key Club District in the world, CNH has the biggest goal of 1,600 life help sessions. We are counting on all of you to help us reach that goal because the sky is the limit for CNH.

CIRCLE K

Circle-K International (CKI) is the college-level branch of Kiwanis International, with clubs spanning hundreds of colleges across five different continents. CKI's motto is "live to serve, love to serve." As such, this organization goes a long way in shaping future leaders and activists. CKI partners with the United Nations Children's Fund (UNICEF), which provides humanitarian and developmental aid to children worldwide. SOSP INFORMATION

Your Service Projects Committee promotes International and District initiatives through the CNH Spotlight on Service Program. The Spotlight on Service Program aims to showcase clubs and divisions, as they remarkably serve their homes, schools, and community.

Monthly guides include ideas and guides on how clubs and divisions complete the monthly service initiatives. The service project committee does this by brainstorm a few engaging event ideas for you, your club, and division to build upon.
