### opening message

Hello, CNH Bees!

The Service Projects Committee hopes that all of you are doing well! Can you believe it? Only two more months of the 2017-2018 term? While the end may seem like an arm's length away, there is still plenty of time for all of you to accomplish your service and fundraising goals. Need inspiration? Be sure to read this guide carefully, because we'll be suggesting many different projects that you can do!

As always, if you ever have any questions, please feel free to contact Service Projects Chair Alex Gatus at [cnhkc.sp@gmail.com](mailto:cnhkc.sp@gmail.com)!

In the spirit of service,  
The Service Projects Committee

### background information

The Kiwanis Children's Fund is the extension of the Kiwanis impact. The Kiwanis Children's Fund partners with clubs and districts in all Kiwanis nations to help children of the world through Kiwanis-led service projects that promote: healthy children, educated children, leadership development, and priority children's issues. The mission statement is to develop resources that transform the goodwill and vision of Kiwanians into programs that serve the children of the world.
