## SPOTLIGHT ON SERVICE PROGRAM | FEBRUARY 2022

### February Overview

#### Hello CNH!

As we approach the end of the Key Club term, we would like to introduce February's SOSP theme: Kiwanis Children's Fund. The Kiwanis Children's Fund is used to fund many programs and initiatives involving Kiwanis and Key Clubs. In addition, the Kiwanis Children's Fund also offers scholarships and grants for Key Club members! Help make an impact on thousands of children around the world by supporting the Kiwanis Children's Fund!

We hope this manual helps your club. Please encourage your members to participate in this month's SOSP theme! If you have any questions, comments, or concerns about the Spotlight on Service Program, feel free to contact the Service Projects Committee chair, Jennifer Cheung [sp.chair@cnhkeyclub.org](mailto:sp.chair@cnhkeyclub.org).

Happy Service,  
Service Projects Committee

## Background

The CNH Spotlight on Service Program was created by the Service Projects Committee to promote International and District initiatives as well as to encourage active participation with organizations/initiatives. Monthly guides include tips and ideas on how clubs can complete the monthly service initiatives. The program also gives clubs the opportunity to showcase their unique service projects that positively impact their home, school, and community. The Spotlight on Service Program would love to receive project submissions from the District to showcase projects from the previous month in the District Newsletter.

## Submission

Clubs can submit to the form in order to receive recognition, which can be found under the "Spotlight on Service Program" page under the "Projects" tab on the CNH CyberKey. Pictures should be sent to [sp.chair@cnhkeyclub.org](mailto:sp.chair@cnhkeyclub.org). All submissions are due on the fifth of the following month by 6:00 PM (PST) or 3:00 PM (HST). One or more clubs are featured every month in the District Newsletter in recognition of any outstanding service project!
