Governor's Project

WHAT IS IT?

The CNH Governor's Project is a 2-year focus selected by the District Governor and Service Projects Committee. The Governor's Project theme for 2023-2025 is "Empowering Minds, Building Futures" and focuses on youth mental health awareness and education.

HOW TO PARTICIPATE?

- Partner with local mental health public health organizations and volunteer at their events!
- Make care packages and donate them to local organizations
- Make fidget toys or plushies and donate them as stress relievers
- Make cards and give them to a local organization

ERIKA'S LIGHTHOUSE

This project promotes Erika's Lighthouse, a Key Club International service partner and nonprofit that works to provide free mental health programs in schools and communities. Visit erikaslighthouse.org for more information on their programs, resources, and instructions on how to donate.
