# MESSAGE FROM YOUR EDITOR

## WHAT'S BUZZIN', BEES?

Happy July! We've reached the second month of the **summer**, which means we still have a lot of time to pursue our **passions** and **interests** before school starts again. That's what I love about summer: it's the time where we're allowed to watch shows until sunrise, look for new hobbies, find jobs, take courses you find interest in, and start on college apps! Take this time you have to bond with your friends and family!

Many of us are still in quarantine due to the pandemic amongst us. However, it's still important to explore the outdoors and to take a break from social media! Make sure to exercise often to stay **healthy** and drink water so that you aren't dehydrated from the **summer heat!** Try your best to

participate in your club's at home service events because **service never burns out**, even now!

Speaking of service events, it's important to work with your officer board to **brainstorm** ideas for any **opportunities** members can take to serve their community. It's difficult to stay proactive during this time, but I believe in you all! Get creative and have fun with planning. I hope to see you all soon!

Art inspired by Britney Sun

*hello cnh!*

It has already been over 2 months since the beginning of the term! In just these few months that we have had during this term, it is amazing to see all that we have already accomplished.

I have seen clubs having service events online, fighting for racial equality, and so much more. It has been especially extraordinary to see all that Key Club has been during this fight for racial equality. I have seen resources, fundraisers, and statements being released by Key Clubs in CNH taking a stand against the racial inequality that exists in our world.

There is also plenty of time remaining during this summer! I encourage you all to continue to take advantage of this time to learn and get more involved in Key Club with everything being virtual. If you ever feel lost on what to do, then you should reach out to your club president or Lieutenant Governor asking what you can do!

As this pandemic continues please make sure to stay safe and follow all the safety guidelines. Remember to wear a mask and to follow social distancing when in public. There are also lots of videos online on what you can do to stay safe when going out in public if you do not already know.

Thank you for all that you do CNH and I can't wait to see you all again when this is all over!

*Daniel*  
**Daniel Min**  
District Governor  
cnhkc.gov@gmail.com

*buzz buzz bees!*

Summer is finally here, and I hope you all are getting the rest you all deserved after all the craziness from the last school year. We have officially made it through the first quarter, and it has been rewarding to see so many of you doing your best to serve your home, school, and communities despite the current difficulties we are facing. Although we aren't able to host in real-life events, I have been very impressed by the creative service events you all have come up with and how many hours of service our District has served. As of June 10th, CNH has served a total of **42,146.80 service hours**, which is approximately **4.68%** of our District Goal of **900,000 service hours**. We are making significant progress so far, and I can't wait to see where the next few months will take us!

To all club secretaries, I hope you all have been able to adjust to completing your MRFs every month and have a good understanding of how to fill out your MRF correctly. If you ever need help on accurately filling out your MRF or have any questions, please don't hesitate to contact me. I am always more than happy to help you!

As our next school year and in-person Key Club events are still up in the air, please continue to social distance, wash your hands frequently and wear a mask when going out in public. We all have a role to play in slowing the spread; please continue to do your part!

*Grace*  
**Grace Yim**  
District Secretary  
cnhkc.sec@gmail.com

## what's poppin' bees!

It's quite difficult to believe we are nearing the end of the first quarter! I have most certainly noticed the service Key Club has offered to our communities through various service projects and fundraisers. Make sure to continue serving your communities during this difficult time as a **stalwart** Key Club member and student leader!

BEE proactive in any projects, including fundraisers, for Key Club by planning ahead as the fall season is quickly approaching. As we all know, the fall season in Key Club is always busy with Region Training Conference, Fall Rally, and more! In addition to the various events, the fall season also means a new school year for member recruitment and dues payments. For club treasurer, please check your emails for the latest Treasurer's Update from me as I have also included our first Treasurer's Manual for you to use during the remainder of the term.

I hope you are all continuing to stay safe during the pandemic by wearing face coverings and staying home. As always, if you ever need help, please don't hesitate to reach out to me and I will be happy to help!

*Yena*

**Yena Suh**

District Treasurer  
cnhkc.treas@gmail.com

## hello cnh key club!

I am extremely sad that this will be my last update in your district publication, as my term ends in July. It has been an honor to serve as your trustee and I've loved getting to know all of the amazing members of your district.

I hope you all have been safe during the COVID-19 lockdowns and continue to remain cautious and safe as our country slowly begins to re-open. I want to invite all of you to participate in our International Convention this year! All events will be held virtually and will be free to attend. This includes workshops and activities for members to get to know each other that we are still deciding on! More information will be released in the next few weeks via [keyclub.org](http://keyclub.org) and Key Club social media.

Many of my favorite memories from high school happened because of Key Club and the amazing connections I made in this organization. So, whether you're an upcoming senior or an incoming freshman, take advantage of every opportunity you have in this organization. Attend as many service projects as possible, meet as many amazing people as you can, and take every opportunity you can to make positive change in your community.

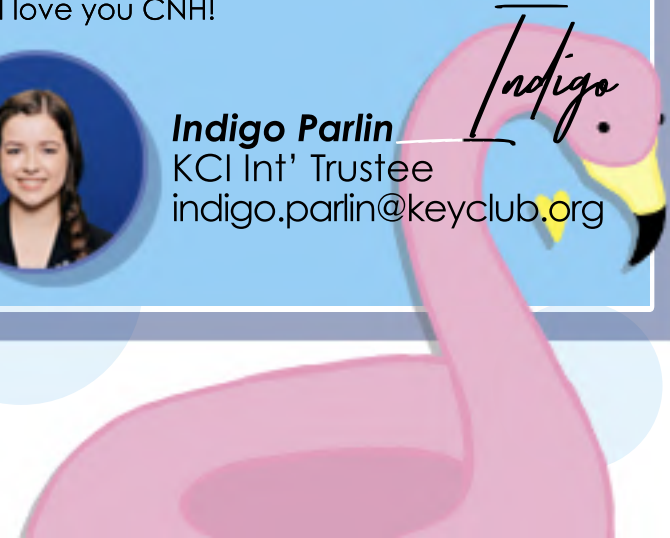

Everybody's Key Club journey is different; but, we all have a Key Club moment where we realize how this organization has empowered us to change the world. Remember that everyone can be a leader, no matter if you have the title or not. Continue to advocate, problem-solve, and take action in your communities.

CNH Key Club, you have inspired me and made me a better person. Know that you can always reach out to me for anything. I will miss serving you. I love you CNH!

D44S LTG | JACKIE WONG

## What's a CM?

CM stands for the Communications and Marketing (or the Cookies and Milk) Committee! It's composed of the CM Chair, CM Mentor, the 3 District Editors, and 8 Lieutenant Governors. Some of the things we do are: promote CNH activities & projects, promote goals to Key Clubbers & surrounding communities, emphasize member education, provide resources/manuals throughout the CNH District, create informational graphics, gather feedback from district events, and eat cookies and milk!

# VIRTUAL BONDING

## Importance of Bonding

Bonding allows you to connect with your members and be a better leader. Building those personal connections allows you to take your clubs to the next level where members are better equipped to serve as a team, especially during the COVID-19 outbreak.

## Bonding Methods

Games  
Communicating  
Experiences

# GAMES

Playing games as a group activity is always an excellent way to get to know your members in a fun and lighthearted way. Games get members excited and in a euphoric state which carries over when it comes to the service aspects of Key Club.

## Pictionary

To play Pictionary all you need is a piece of paper and a writing utensil. Members will take turns selecting a random object or action to draw while the others members try to guess the object or action.

## Truth or Dare

Members will take turns asking each other to choose between a truth or a dare. Whichever the member selects, they would then have to complete the task given by the member asking.

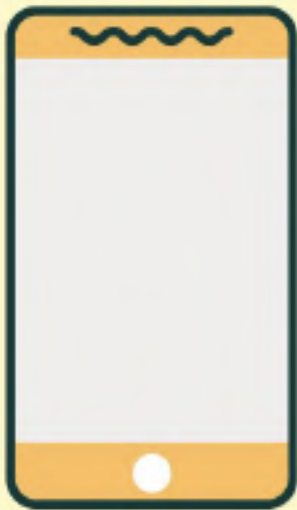

## Never Have I Ever

To play Never Have I Ever you simply need to put up your 5 fingers. Members will then take turns saying things they have never done before. If you have done what is said before, place 1 finger down.

# COMMUNICATING

Communicating with your members is an essential key to bonding with your members. When you personally reach out to your members it builds their connection to Key Club and makes them feel wanted within our Ohana.

## Social Media

Social Media Apps such as Instagram, Facebook, Snapchat, Twitter, and Discord are all ways that club members can communicate with each other and bond virtually.

## Buddy System

Partnering up your club members with a Buddy System can help ease the nerves of new members and help them make friends. Returning members also have opportunities to create stronger bonds with members they didn't get the chance to know before.

# EXPERIENCES

Having fun experiences with your club members is another way to bond. The more time, activities, and events you have with them allows you to really build a personal connection with your members.

## Painting Day

A virtual bonding activity that all members can participate in is a Painting Day. Members can paint as a group from the comfort of their own home by joining a group call via Zoom, Discord, Google Hangouts, etc. This experience allows members to show their creative side and get to know each other better.

# REMEMBER

Bonding is limitless and takes time so be creative and patient! Everyone bonds differently and at a different pace, but before you know it, your club will become the Ohana you always dreamed of.

# CNH Children's Fund

California-Nevada-Hawaii | Key Club International

## What is the CNH Children's Fund?

The CNH Children's Fund formerly known as the CNH Foundation, is a foundation built to serve the people in their community. It includes the Pediatric Trauma Program, major emphasis, Club and Division Grants, and Service Leadership Programs Scholarships and Leadership Training.

**Mission Statement:** To build a better future for our children by providing grant funding, scholarships & leadership training and through our innovative Pediatric Trauma Program. Our Foundation is supported solely by voluntary contributions from Kiwanians and Kiwanis clubs.

## The different scholarships of the CNH Foundation:

## How is it funded?

"Financial awards made from the Scholarship Fund are derived from the interest earned from the principal of our District Foundation Scholarship Fund and from direct contributions received from our Kiwanis clubs, individual Kiwanians and friends of the Cal-Nev-Ha Foundation. Additional amounts are received each year from projects and events conducted by SLP clubs throughout the District."

### CNH Foundation Scholarships

- Richard Prada Memorial Scholarship
- Glenn E. & Millie Muggelberg Scholarship
- Jack Luther Memorial Scholarship
- Richard & Cheryl Olmstead Scholarship
- Lanie & Dave Wheeler Scholarship
- John & Sue Howe Scholarship
- Pete & Dianne Horton Scholarship
- Julie Dieguez Memorial Scholarship
- Richard Minatoya Memorial Scholarship
- Irvin C. Chapman Memorial Scholarship
- Kiwanis Club of Palo Alto Scholarship
- Kiwanis Club of Glendale Scholarship

OUR GOVERNOR'S PROJECT

# The Kiwanis Family House

*"Serving the children of the world" since 1984*

## MISSION

Our mission is to provide temporary housing and support to families of seriously ill or injured children and adults being treated at University of California, Davis, Medical Center, Sacramento.

 **2875 50th Street, Sacramento, CA 95817**

## KFH APPLIANCES

- 32 bedrooms
- Private restrooms
- Telephones
- Television
- Playground

## THE KFH STORY

### ***Vern & Leona Bright***

Leona Bright, wife of Southeast Sacramento Kiwanis club member Vern Bright, heard about the need for temporary housing, and asked her husband, "Why doesn't Kiwanis do something about this?" The idea was born and a group of Kiwanis Club members found a site, donated by the UC Davis Medical Center. They purchased five surplus construction trailers, converted them into a seven bedroom facility, and provided furnishings, carpeting, appliances, and all that was required to make the Kiwanis Family House a home.

**CNH District Kiwanis Family and Foundation Committee**

April Nguyen | [cnhkff@gmail.com](mailto:cnhkff@gmail.com)

OUR GOVERNOR'S PROJECT

# About the Kiwanis

## Family House

### MONETARY DONATIONS

A single donation of any amount or recurring donations may be made online or through mail. A check may be directly made to the Kiwanis Family House or to CNH Key Club with "Kiwanis Family House" in the memo line. Donations help the Kiwanis Family House provide a convenient, restful, secure, and low cost housing alternative for the families of children and adults being treated for serious illness or injury at the UC Davis Medical Center and Shriners Hospital.

### ITEM DONATIONS

The Kiwanis Family House Operations Manager always has a Wish List of items that are needed at the Kiwanis Family House. To help, bring an item to the Kiwanis Family House, or call the House at 916-736-0116 to arrange pickup.

### VOLUNTEERING

Volunteers are needed to assist the staff in serving the needs of the guest families, maintain the landscaping, and perform other duties around the facility as needed. To volunteer, call 916-736-0116 to schedule a volunteer date.

### EVENTS

Every year, the Kiwanis Family House hosts a walk called March in March, where people get pledges and raise money for the Kiwanis Family House. If you are local to the area, you can Participate! You can also host fundraisers to raise money for the Kiwanis Family House. You can find more information at [www.kiwanisfamilyhouse.org](http://www.kiwanisfamilyhouse.org)

# MEMBERSHIP DEVELOPMENT & EDUCATION COMMITTEE

## MDE CHAIR MELANIE GARCIA

Aloha, CNH! My name is Melanie Garcia, proudly serving as your MDE chair this term. I am ecstatic to serve you all and can't wait to make learning about Key Club a lot more fun and engaging. Aside from Key Club, I am a nap enthusiast and you can find me bullet journaling only when I'm not napping. Please don't hesitate to contact me for whatever you need or if you ever need someone to talk to, I'm only one text or call away! I can't wait to see how far we will go this term!

## D04E LTG VINCENT VU

What's poppin' CNH? My name is Vincent Vu, and I proudly serve Division 4 East as their Lieutenant Governor! I'm a person with big dreams and an even bigger heart! I've made it my goal to make at least one person smile everyday because although our world is currently going through some dark times, if I'm able to be a light source for someone, I'll be more than happy to help them. I've dabbled in all tons of music genres, spanning from lofi to rap, and to even Kpop and Vpop. My favorite activities outside of Key Club are playing video games, playing volleyball, and texting friends. One day, I would like to be a professor, so that I can be a mentor to the future generations and also inspire youth. I love seeing others succeed and grow, so being on MDE fits me pretty well!

## D10N LTG NICOLE SETIABUDI

My name is Nicole Setiabudi and I am D10N's LTG and I am also an incoming junior at Temple City High School! I speak one language besides English which is Indonesian. My ethnicity lies with a mix of half Chinese, half Indonesian, and part Dutch. In school I play girls var tennis and I don't know if you know yet.. but I'm in love with Key Club. I have met so many new people and I am looking forward to finishing off high school with great key club memories. As for outside of school, I love to listen to music and just be really social with everyone. Concerts are so my thing and music is something that I really can't live without. Whether it's taking a nap in the car, reading, or even playing tennis, having music something that's so meaningful to me because it makes you feel nostalgic, happy, and sad. I love it. That's me!

## D12E LTG EMILY VU

Hello everyone! My name is Emily and I serve Division 12 East as their Lieutenant Governor! Some fun facts about me are that I have many birds and one of them is named Kiwi. I really enjoy painting and bullet journaling and I am a huge sucker for any stationery; especially brush pens and washi tape!! I love love love going on adventures such as hiking, going to a new food place, watching the sunset, etc (so if you want to go somewhere hmu). I can't wait to meet you all and let's have an amazing year this term <3

## D16S LTG MAHIMA KODAVATI

Hi CNH Bees! My name is Mahima Kodavati and I proudly serve Division 16 South: Home of the White Tigers. I am currently a rising senior at Burbank High School (which might look familiar from Victorious!). I'm beyond excited to be a Lt. Governor during my last year of highschool and to make unforgettable memories with my Division and District Board. Besides Key Club, I am involved in different STEM programs, mock trial, and soccer! I live my life based on the "do what you love" mentality, so every moment of my life feels like an adventure. My only regret is that I'm about to be 17 and a half and I still can't drive :(, so please feel free to come pick me up, so we can get pizookies preferably on a Tuesday or contact me if you ever want to talk. <3

## D16W LTG JANNIKA REYES

What's buzzin CNH! My name is Jannika Reyes and I am super proud to be the D16W Axolotl's LTG of the 20-21 term. As an incoming senior, I attend a school in the San Fernando Valley called El Camino Real Charter High School. My high school experience has been awesome, and becoming LTG in my senior year has put the cherry on top of it all. One of my many passions, outside of key club, is running varsity track with my school's team! The race that I specialize in is the 800 meter race, which is a super exhausting two laps around the track. To relieve stress, I also really enjoy baking in my free time. Baking pistachio macarons may have been my most impressive accomplishment! Throughout high school, I have come to recognize the relevance of the motto "everything happens for a reason," which I actively apply to my life. One crazy fun fact about me is that I have broken 6 bones before and 6 is my lucky number, so I hope that number doesn't get any higher. I am a very outgoing person who loves to meet new people and make new friends, so if you want to be friends just shoot me a text! Stay smilin' keyuties <3

## D18E LTG BRENDA MANYVANH

Helloooo CNH! My name is Brenda Manyvanh and I proudly serve as Division 18 east Lt Governor for the term 2020-21. I also serve on the MDE committee for the treasurer's subcommittee. I'm very grateful to be a part of the CNH District since the CNH district is filled with incredibly nice and amazing people. Now, some random facts about me are that I'm a dog mom to a 7-year-old Shih Tzu, I love horror movies, and lastly, I'm on my high school Mock Trial team. I hope these facts allowed you to get to know me better. To finish off my introduction, please stay safe, healthy, and happy!

## D20 LTG KAITLYN SNEED

My name is Kaitlyn Sneed, serving D20 as their LtG. I just finished my Junior year and enjoy past times such as art, reading, and equestrian writing. I have an amazing family that loves me and has supported my 4 years in Key Club. I couldn't be more grateful for them, nor for the family I have found in Key Club and Kiwanis

## D26S LTG CAROLINE LOBEL

Hey CNH Bees! My name is Caroline Lobel and I proudly serve Division 26 South as Lieutenant Governor. I'm a rising senior living in the Bay Area and entering my fourth and final year in Key Club. My biggest goal for this term is to reverse the membership decline in the division I serve by increasing member activity. A fun fact about me is that I have a huge obsession with both Animal Crossing and the movie "Ratatouille".

## D27S LTG COLIN KANG

Hey everyone! my name is Colin Kang and I serve Division 27 south as their Lieutenant Governor. My hobbies are playing PC games and watching anime. I am pretty laidback so feel free to talk to me.

## D43 LTG CAITLENN FROFUNGA

Buzz Buzz, CNH! My name is Caitlenn Frofunga and I am honored to be serving in the MDE Committee and as Division 43's Lieutenant Governor! I am excited to be serving you all and creating engaging, exciting material to the best of my abilities with the committee to help you all. I love resting and living my life simply. If you ever see me, don't be afraid to say hi! I can keep you interested with Astrology or memes. This term will be GRR-eat!

## D37W LTG ARIA PHAN

Hello! My name is Aria Phan and I humbly serve Division 37 West as their Lieutenant Governor. I really enjoy serving my community and building bonds with my fellow Key Clubbers! If I wasn't working on something for Key Club, you'd probably find me doing some type of art, like painting or bullet journaling. Besides art, I also really enjoy all things music, like playing my violin or listening to my favorite artists. If you ever see me around or want to be friends, don't be afraid to reach out :) I'd love to talk to you!! I can't wait to see what else we can overcome throughout this term!

## MDE MENTOR JACKIE ACOSTA

### **WHAT IS MDE?**

The MDE Committee is comprised of 11 amazing Lieutenant Governors and the chair to make YOUR education experience the best that it can be! We are actively working on new videos, presentation formats, and making all resources easily available for you! Be on the lookout, bees!

## **MAY: ELIMINATE**

### *mnt trivia*

Kalani Key Club | D22H | R18

"Officers brainstormed an educational activity regarding MNT and one officer created an interactive trivia for members on Gimkit. We held this event during a general meeting on Zoom. Members connected to the trivia game with personal devices (i.e., phones, computers, etc.) Since fundraising options are currently limited due to quarantine, we used this event as a foundation to educate club members about MNT so that they understand why and what we are fundraising for in the future. The project was successful in educating our members. If we were to do this again, we should test the trivia software with a large group of people so that it can accommodate the 25+ members that tried to join during the meeting. We'd also like to focus more on fundraising next time or partner with an organization that focuses on Project Eliminate."

### *project eliminate awareness week*

Kaiser Key Club | D22H | R18

"Kaiser took inspiration from the Eliminate week that took place on the CNH Instagram, and planned out social media posts for members for the last week of May. We decided on MNT Monday (spread awareness of MNT and Project Eliminate on social media), eLEMONate Wednesday (eat a lemon in support of Project Eliminate), and Awareness Friday (post a baby picture of yourself and resources to donate to Project Eliminate). Prior to the Eliminate Week, members also played a Kahoot! game at Kaiser's general meeting to learn more about MNT. This project was a fun way for members to get active, learn about MNT and Project Eliminate, and for members to spread awareness to their friends and families. The project was successful and many people were able to find out more information about Project Eliminate. I think if we had more participation we could have had a greater reach. If we tried this project again once we meet in person, even if it's not the Spotlight in Service, I believe it could be a bigger success."

## *cranes for a cure*

Mills Key Club | D34N | R17

"Originally, I suggested the "Cranes For A Cure" service idea in our board group chat as a monthly service opportunity. I was looking for non-conventional, arts-and-craft types of ways to do service online and found an organization called "Joey's Wings." The website has a fundraising project that collects folded origami cranes and uses them to build amazing art pieces and mobiles. The pieces are sold and the money made from them go towards funding pediatric cancer research. When I wrote down my idea and possible logistics, our LTG Kristen saw my message and suggested our club use the idea for a Division wide event during the month of May! We were excited and nervous at the same time,

but we thought it was a good opportunity to get our club out there and gather everyone online for service. I quickly made a graphic and slideshow for the event, made a RSVP link and feedback form, our LTG made the zoom meeting info, and our board rehearsed a couple times together to try and test the efficiency of our meeting. We found videos of how to fold cranes on Youtube and got the address for where to send the cranes off on the "Joey's Wings" page. Overall, our board planned the event pretty well and spent a lot of time preparing for over the duration of two weeks."

## *recognition*

# spotlight on service program

## BEE CLEAN, CNH!

### get involved

"BEE Clean, CNH!" was the Governor's Project from 2017-2019. According to the World Health Organization, 1.7 million children under the age of five die annually and 570,000 children under the age of five die from respiratory infections due to air pollution. With the California-Nevada-Hawaii District being the largest in Key Club International, Key Club members are encouraged to plan and participate in environment-related service events to combat and reverse pollution and its health-related impacts in America. During the month of July, you are encouraged to save lives through the simple acts of promoting the cleanliness of the Earth and spreading awareness of environmental impacts. What will you do to BEE clean?

Host a project that promotes the theme, "BEE Clean, CNH!" with your club for the chance to be featured on the District Newsletter and CNH Instagram. Get your home club and division involved to help. Host a service project that promote keeping the environment clean. Present a workshop about the importance of keeping the earth clean. Organize a fundraiser where you can promote healthy living and a clean Earth while also raising money for our preferred charities. Whether you are at home or going outside, there are always conscious decisions you can make to better the environment.

### fun fact

Since quarantine has started, many factories and businesses have had to close. The levels of nitrogen dioxide have dropped about 40%.

### service projects & fundraisers

- Host a tree planting project
- Organize a recycling drive to collect old cans and bottles
- Encourage members to participate in an upcycling event, make new items out of items that are not being used
- Hold a cleanup at a beach or a park
- Sell recycled art at socials/DCMs
- Sell water to promote a healthy lifestyle
- Plan a waterless car wash
- Partner with eco-friendly companies

Make sure to check out the July Spotlight on Service Program Guide for more information!

## Congratulations CNH!

We have made it through our first quarter of the year, and time seems to be flying fast. Even during these hard times, I congratulate you all for going above and beyond to be recognized! Keep on doing amazing things and encourage recognition within your clubs and divisions. CNH and I commend you for all that you do for your homes, schools, and communities.

# ARTICLES & VISUALS 2020

**THANK YOU TO ALL THE EDITORS WHO  
SENT IN ARTICLES & VISUALS!**

If you would like your home club to be featured in the next District Newsletter, make sure to submit your story to your Division News Editor! Newsletters will come out every month so make sure to stay in the loop for new issues on the new Cyberkey and CNH's social media!

*keep it up, bees!*

## **SIDEWALK ART**

**Emiri Hanada, Centennial | D28W**

Taking a moment to go outside and draw or write encouraging things for people who are having a difficult time right now sounded like an awesome service event to us. This is an ongoing event throughout the summer and the rest of quarantine that not only encourages passersby to stay positive, but it also inspires the members who work to send out this message. Positivity and love are extremely important right now, especially with the hectic mess that 2020 had to offer us.

## **VIRTUAL MASK MAKING EVENT**

**Meiqi Lai, Glen A. Wilson | D35W**

During the month of June, Glendora High School hosted its very own virtual mask making event. Students were given the opportunity to make different types of masks like no sew, sew, and bandana masks. Prior to the start of the event, Glendora's Key Club president, Gabby Gonzalez, showed DIY (Do it Yourself) masks YouTube videos. These videos were mainly shown to students who have never made a mask on their own. Throughout the event, students bonded with each other and met the students who currently serve as officers on Glendora's Key Club cabinet. By participating in this event, students will save the hassle of having to go out to the store to buy masks.

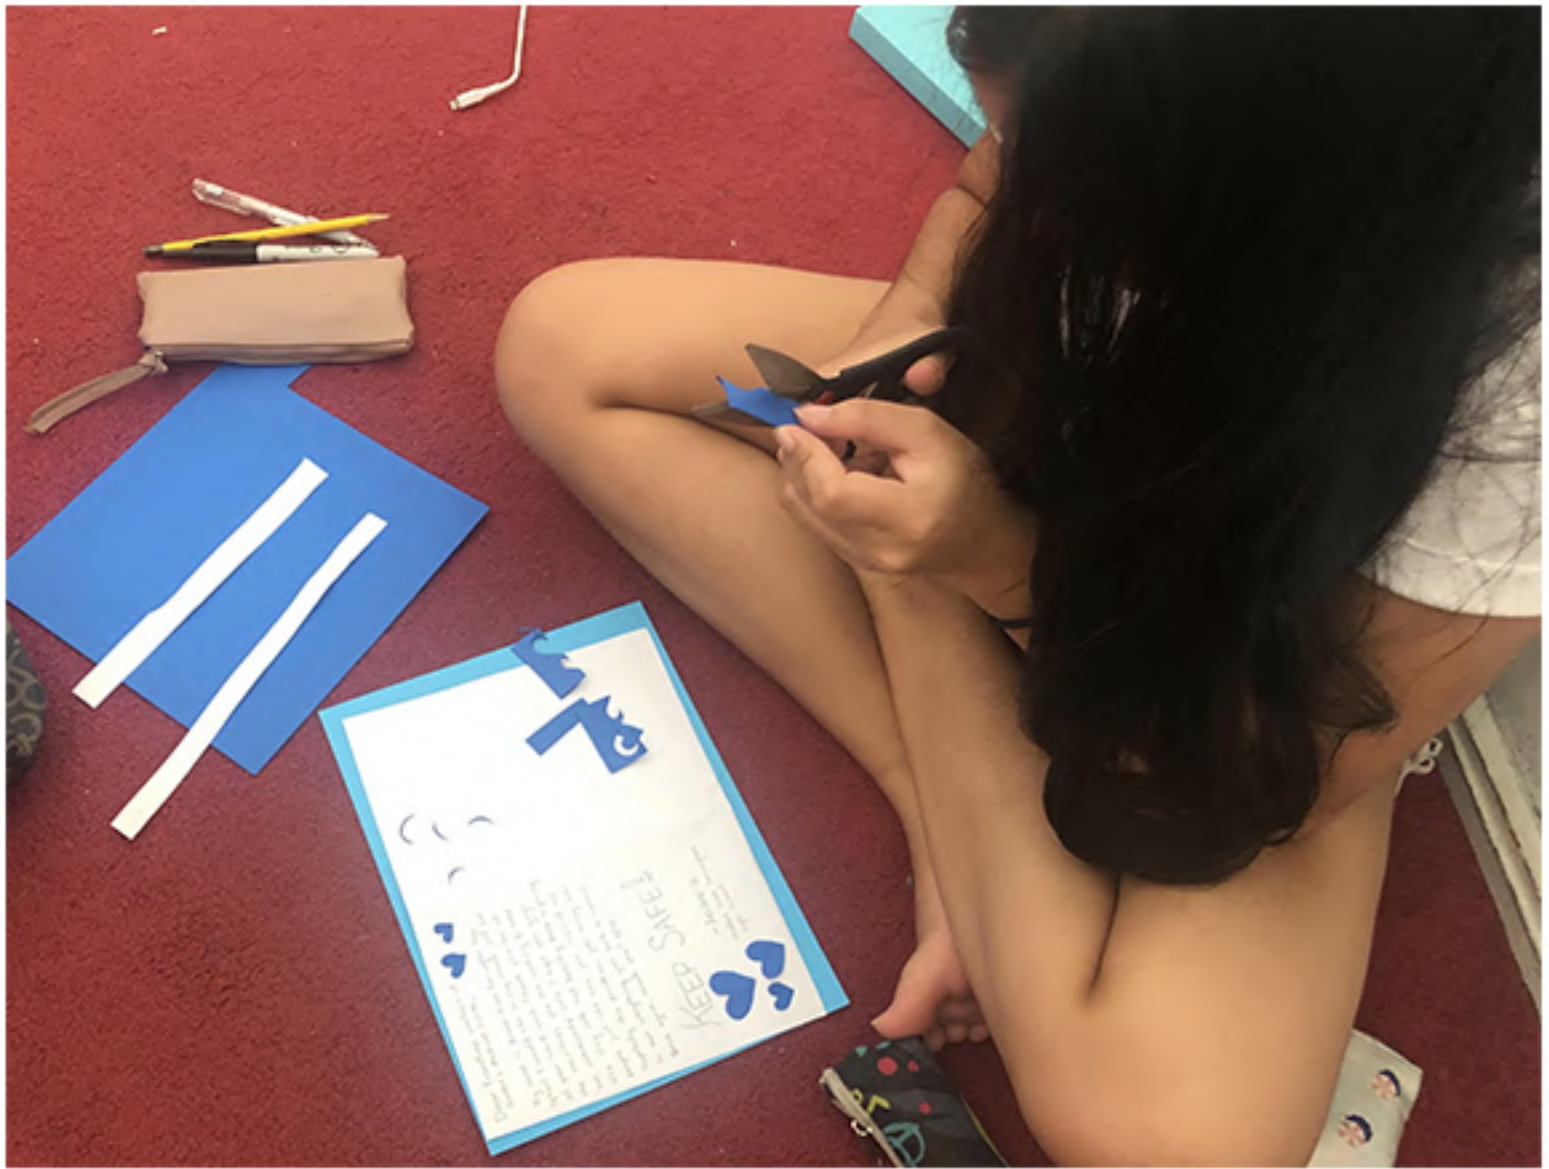

## **DONATION DRIVE - CHANNEL ISLANDS**

***Khalia Jackson, Channel Islands | D42W***

On Saturday May 30th 2020, Channel Island Key Club hosted a donation drive for the Lighthouse Charity for Women and Children. CIHS KEY Club officers collected the donations dropped off at the nearby church and brought them to the Lighthouse charity center. CIHS Key Club cabinet collected a plethora of donations for the Lighthouse Charity. Bags filled with canned foods and health products were brought to the charity and given to those in need of such supplies. It was a great feeling seeing the Lighthouse Charity workers' faces when we brought our bags of donations. I am very proud of our club coming together in doing good for our community.

## MAY BINGO SHEET

**Ariane Gabay, Farrington | D22H**

For the month of May, we did a Bingo Sheet that incorporates the services that we can do during quarantine. Some of the services include wearing a mask, washing your hands, eating a healthy meal, and more. As the virus is making it difficult for us to do the services together personally, we sent pictures to use as evidence that we completed the services. Each of the boxes completed were worth one service hour.

Doing these services were really new to me as we haven't done any services virtually.

It's an experience that we all have to get used to for now since the virus hasn't fully gone away yet. The bingo really helped me practice having a healthy lifestyle as it requires doing things like exercising and eating healthy. One of the services that I enjoyed doing is making a letter for the frontliners. I really like how we can use it to express how grateful we are for all the sacrifices they are making for us. I also like how the bingo gives ideas of things we can do since we're basically stuck at home for now.

## **SOCKTOBER SOCK DONATION DRIVE** **Chaylin Polines, Willows High School | D14**

Willows High School is working on their comeback from inactivity in their club! Since reconnecting with their LTG and electing new officers, they've also had a major club service project that needs recognizing! In October 2019, Vice President, and current term President, Magella Millen organized the Sock-tober Sock Donation Drive with the help of her faculty advisor, Joe Schantz. All throughout the month, Willows managed to collect more than 300 pairs of socks and distribute them throughout the community. They donated to families in need such as their local convalescent home and county HSA. Can't wait to see their rise bringing their Key Club to the next level!
