the **TENTH** issue of The District News. We've finally made it to double digits, which only means that we are even closer to the **District Convention 2023** (and the last issue of The Bumble Times). Get ready to spend 3 days and 2 nights of workshops, meetings with Key Clubbers all around Nevada, and Hawaii! On-time arrivals in TWO days so BEE sure to contact your club president or Lt. Governor to get on as possible.

Start of March now... To our seniors who are anxiously waiting for colleges to send decisions, I assure you that wherever you go, you will still do amazing. Retirement is right around the corner, so buckle up & get ready for the next chapter of your life. :) To our lovely non-seniors, plenty of time ahead of you and CNH to spend another term with you!

With only **51 days left to DCON**, I've hired this little fearless frog to help you buzzing bees find the renowned **Sea of Service**. As you two explore the waters, BEE sure to continue serving as the term hasn't ended yet. I hope you enjoy this frog-themed issue where you search for the Sea of Service! (I'm sure you'll find it by next month.)

## ■ What's **UP** CNH?

Though we've already gotten to know each other throughout this term, I'd like to reintroduce myself as your District Governor for the remainder of this term. Though we may only have two months left, there is still much to be done.

District Convention registration is coming up rapidly, with on-time registration being due March 6th. I'd highly recommend paying by this date, as after this date, registration fees will go from \$215.00 to \$255.00 to March 20th! Don't miss out on this opportunity!

As of the latest dues report from Key Club International, our district has **23,811 members**, which is **68% of our way towards our goal of 35,000 members**. Though this may seem a long ways away, we still have two months away to work on our member recruitment! Keep reaching out to those members!

With the final few months in our term, I'd encourage you all to reflect on the legacy that you hope to leave behind in Key Club. Think about what more you can do to change the lives of the people and the community around you. Nonetheless, you have all accomplished incredible things this term, and you should be so proud of yourself. As always, if you have any questions, comments, or concerns, feel free to reach out – I am always here to help! Irish you all a lucky March!

## DSEC MESSAGE

### ■ Aloha CNH!

I hope you all are having a wonderful March and are prepared to say goodbye to the 2022-23 term! My name is Abigail "Abby" Jensen, and I am very honored to be able to serve as CNH District Secretary for the rest of the term! I am currently a junior at Waiākea High School on the Big Island of Hawaii, and earlier this term, I served as Lieutenant Governor of the mighty opihis of Division 22 Makai!

Congratulations to all who served as club secretaries throughout this term for all of your hard work! As club elections wrap up, be sure to **work with the new club secretary** to help train them about their responsibilities!

In regards to our CNH District Service Hour goal, as of the January MRF submission, our district has served a total of **282,356.92 hours**, which is roughly **33%** of our goal! Although this is quite far from our goal, don't feel discouraged! Continue to **hold regular service and fundraising projects** and encourage members to **stay active** and engaged!

With the term almost over, District Convention 2023 is right around the corner! DCON is an **AMAZING experience**, so be sure to make arrangements with your club and divisions to attend!

Feel free to reach out to me if you have any questions, comments, or concerns at [dsec@cnhkeyclub.org](mailto:dsec@cnhkeyclub.org)! Thank you for your service!

**Buzzing with Service,**

## DTREAS MESSAGE

### ■ What's Buzzin', CNH!

My name is Ashlyn Wong and I am excited to serve as your District Treasurer for the remainder of the 2022-2023 term! I am a current senior from Division 30 South, and I previously served as District Technology Editor this term. I hope you are all ending the term strong by making plans to attend District Convention in April!

At this point, your club elections should now either be in process or finished, with your executive board elected. Once your elections have been completed, make sure to update the Membership Update Center with your new officers' (and advisors', if applicable) information.

Be sure to register and submit your payments for District Convention within the next few weeks, with the on-time deadline being **March 3rd** and the late deadline on **March 17th**. Keep in mind that your payments must not only be sent out, but **received** by those deadlines. **Refer to the CNH Cyberkey or contact your Lieutenant Governor for more information!**

Thank you to all of the clubs who have become **dues-paid** before the February deadline! If your club has not yet paid their dues, please ensure that you **submit your dues as soon as possible** to regain active status before your charter is **revoked**. Feel free to contact me if you have any questions or concerns!

Lastly, please continue to fundraise for the Pediatric Trauma Program / YES! Initiative so we can meet our District-wide fundraising goal of \$225,000 before April. Keep up the good work and I hope to see all of you at District Convention 2023!

**Buzzily Serving,**

## INT'L TRUSTEE MESSAGE

Can February march? No, but April may... All jokes aside, I hope you are all staying safe and doing well. Continue persevering and making an impact!

I have a few important updates for you all. Make sure you are staying up to date with the **Sistrict Instagram** (@Calnewsin). If you want to get spotlighted on the Sistrict Instagram, make sure you fill out the **Membership Spotlight** Google form in my Linktree. In addition, make sure you check out my newsletters that are listed in my Linktree.

As DCON approaches make sure you start sorting out the logistics and funding. Try your best to fundraise with your home club and ask your local Kiwanis Club for partial funding. Furthermore, keep in mind that the International Convention takes place on July 5-9th, so start planning ahead with your flights. In addition, think about applying for the ICON scholarship that provides partial funding to some Key Clubbers. The deadline to apply for this scholarship is February 24th at 11:59 PM EST.

Want to get published on the Key Club International Website? Fill out the Blog Publications Google form in my linktree. Furthermore, my **office hours** are held every Sunday on Instagram Live. If you get the chance, continue adding songs to our **Sistrict playlist**, I'm loving all of your song suggestions! If you want to talk to other members from across the Sistrict make sure you join our **Discord Server** (link found in Linktree).

Thank you all so much for your hard work and continued service. It truly does not go unnoticed. Please don't hesitate to contact me if you have any questions, comments, concerns, or if you just want to talk!

# TECHNOLOGY EDITOR

**IVAN DEL RIO**

CNH District Technology Editor

## What's Good Beez!?!

My name is **Ivan Del Rio** (he/him), and I proudly serve as your CNH District Technology Editor! I am a fiery blue devil from **Division 26 South**, located in the East Bay Area in Northern California. When I'm not working on Key Club or homework, you can expect to find me strangely positioned somewhere in my room coding on my laptop—my PC can't handle games like Valorant so I guess it's more of a coping mechanism. Also, yes, I am a band kid.

In my free time I love to be active (ironic right?) and hangout with my friends. Some of my favorite sports include volleyball, basketball, and figure skating! Within Key Club, I enjoy meeting and serving alongside fellow servant-leaders, creating a lasting impact on our community.

I love to meet new people, so don't be afraid to reach out! You can email me at [dte@cnhkeyclub.org](mailto:dte@cnhkeyclub.org).

## POSITION INSIGHTS

As the **District Technology Editor**, I lead the **District Technology Team**, a team of 13 hardworking Key Club members tasked with creating the DCON website, maintaining the **CyberKey**, and creating other **technological resources** for the District. With service and inclusiveness being at the heart of our wonderful organization, my committee works towards using technology to promote these ideas and create **meaningful member experiences**. Using our social handles, namely Instagram, we strive to broaden the horizons of our service through public outreach to target audiences who may one day join Key Club.

As mentioned, our top priority for the rest of the term is to push out the **DCON website**, which is currently in production. Keep an eye out, as it will be sent out soon as DCON approaches!

For now, BEE sure to check out the **CNH Cyberkey** at [cnhkeyclub.org](http://cnhkeyclub.org)! On the Cyberkey, you will have access to wonderful resources prepared by the District committees. Feel free to contact me if you have any comments or suggestions.

The District Technology Team and I are determined to finish the term off strong. Peace out beez!

## POSITION INSIGHTS

As DCON chair I am in charge of planning the **largest event of the year** for our CNH district called District Convention alongside my committee of 11 LTG's that I lead. District Convention is a 3 day long event where everyone from all over the district come together to celebrate the end of an amazing term. I **organize the budget, facilitate registration, work on promotion and work behind the scenes** with my mentors and the advisors to deal with merchandise, budgeting and so much more. In addition we communicate with all the divisions in our district to make sure that the proper information is being relayed regarding DCON! I recommend looking at the **DCON page in the CNH cyberkey** for all the guides and links to registration, rules on chaperones, room assignments, and details on what DCON actually is!

As DCON quickly approaches I will be working more on **outreach** and making sure that those registered are prepared for an amazing weekend with us. Check out the CNH instagram and DCON instagram to stay updated and remember to register for DCON as early **registration ends on March 3rd and late registration on March 17th!**

## Hey Hey, Busy Bees!!

My name is **Miah Chao** (she/her) and I proudly serve you as the CNH Policy, International Business, & Elections Chair! I hail from the mighty **Division 8** ballers and am from California's North Bay Area.

Outside of serving as PIE Chair (shoutout to the PIE Committee!), I am involved in youth advocacy and love volunteering. I spend my free time playing with my two crazy puppies, who are named Choco and Totoro, as well as binge watching practically any show I can get my hands on. I am currently obsessed with The Last of Us... hopefully cordyceps do not take over humans any time soon.

Fun fact: last term, my Region team and I sang "Seasons of Love" from Rent at the DCON talent show. I cannot wait to meet you all in person soon at DCON 2023! In the meantime, I know my emails may look scary, but I am actually harmless, so feel free to contact me if you ever have any questions <3

## POSITION INSIGHTS

As the PIE Chair, I work alongside my mentor Mrs. Qualm, a committee of 10 Lieutenant Governors, and our International Trustee Ahmed Eldeeb. The PIE Committee is in charge of revising and enforcing the [CNH Policy Manual](#), disseminating important updates from Key Club International, and organizing the District Executive election which takes place at District Convention.

It is election season currently, which is the perfect opportunity to take on an officer position! If you are interested in running for office, I highly recommend checking out the **"Slice of PIE" video series** uploaded on the [CNH YouTube channel](#), which explains how to run for positions on the club to International levels! If videos are not your thing, you can also check out the **Election Manuals** posted on the CNH CyberKey (Resources > Policy & Elections).

As mentioned, District Convention is also coming up very soon! Don't forget to choose **two delegates** to represent your club and vote for our future District leaders during **House of Delegates**. Serving as a delegate is a wonderful way to get more engaged in Key Club and understand how the organization functions on the District level... go for it!

And finally, **International Convention (ICON)** is coming up, which will be hosted in Anaheim, California (in our very own District)! If you are interested in getting even more involved, feel free to apply to be an [ICON workshop](#) presenter by March 3rd or apply to serve on the [ICON Taskforce](#) by March 5th!

See you soon at DCON & ICON!

## MAJOR EMPHASIS

In 1946, the organization was challenged to build a program to bring together all Key Clubs and members to focus energies on making an international impact. This program is still followed today through the Major Emphasis: Children: Their Future, Our Focus.

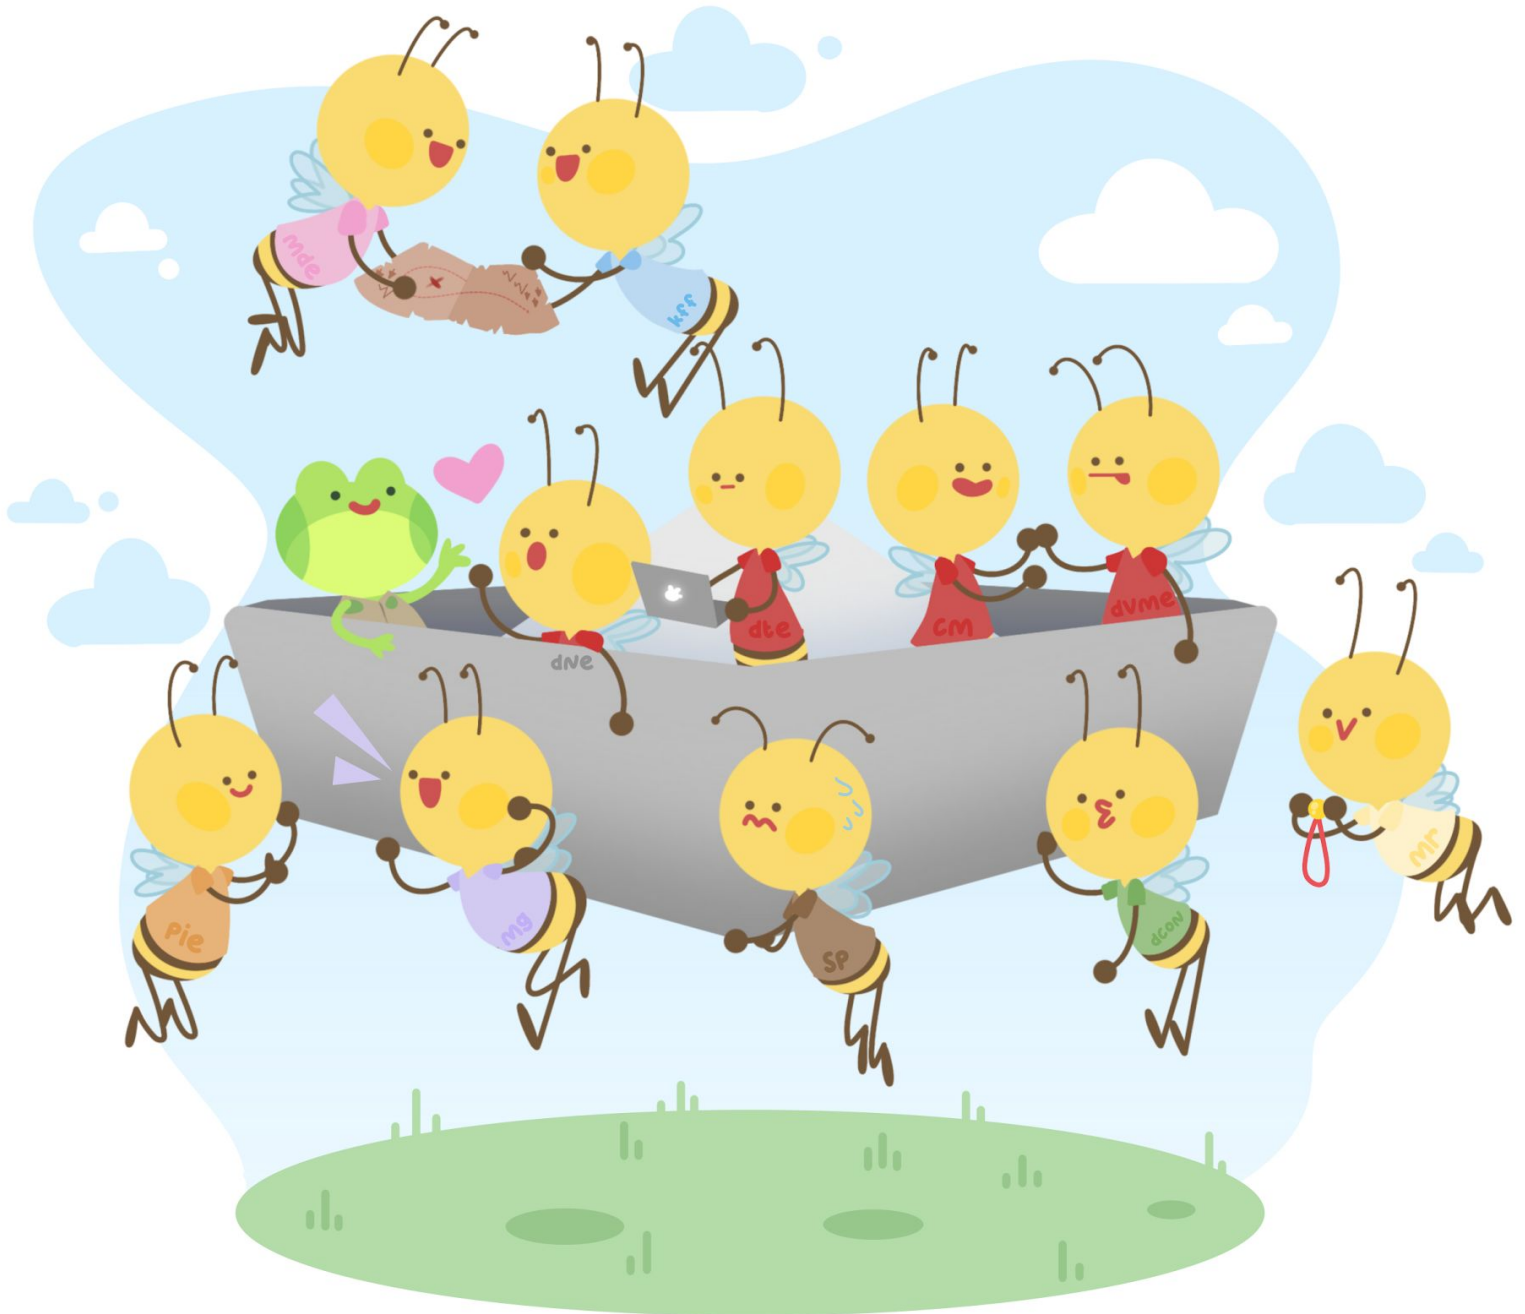

To fulfill the Major Emphasis, Key Club International serves children in many ways. By working with Key Club International's partner organizations, Key Clubs serve children by aiding other organizations committed to serving children. Key Club International celebrates its three partnerships: UNICEF, March of Dimes, and Children's Miracle Network.

The Key Club service initiative is another element of the Major Emphasis and is created on a two-year basis. All of the hands-on service provided to children by Key Club International members is directed to a single area of need, to make a substantial impact.

## HEAR FROM PAST DCON ATTENDEES!

DCON was truly an eye opening experience. Being able to witness individuals from all over California, Nevada, and Hawaii get together and gain so many leadership skills was inspiring. Whether one was a member or officer, the presenters provided much insight as to how one can have the best Key Club experience: creating new memories and friendships, leaving a positive impact on those around you, all while maintaining a healthy lifestyle.

**(D03N Lieutenant Governor, Minseo Seo)**

The lessons I learned at last year's DCON were beyond valuable and illuminating. Having been an LTG elect at the time, I was able to gain so much insight about the people whom I'd be serving, and how I could fulfill my job to the fullest potential. Additionally, I had the opportunity of meeting so many new people who I still keep in contact with today. To anybody planning or interested in taking on a leadership role within Key Club, these educational sessions are JUST for you!

# a guide to DCON DELEGATE DUTIES !

## what is a Delegate?

As a dues-paid member, you have an opportunity to serve as a **delegate** at **DCON 2023**! A delegate is a representative of a club that listens to candidates during House of Delegates and votes for the next District Executives.

## why should YOU be a Delegate ?

At DCON, you will **vote** on the 2023-2024 District Governor, District Secretary, and District Treasurer. Delegates will also vote on District **Bylaw amendments, resolutions**, and choose which International President, Vice President, and Trustee candidates the District will **endorse**! It is a great way to **learn how CNH functions** on the District level and **have a say in our future**.

## why are *Delegates* important?

At least 1/3 of CNH Key Clubs needs to be present in order to **meet quorum** and host a valid election... so start choosing your delegates now!

Make sure your club registers up to **two delegates**. Delegates are vital to shaping the future of our District!

## *Delegate responsibilities*

**Attending the candidate Meet  
& Greet on Friday**

**Listening to speeches**

**Asking caucus questions**

**Reading the literatures of  
candidates**

**& of course, voting!**

# Spotlight on Service Program

## COKC x FRKC Interclub Event

“Planning with FRKC to coordinate this event as well as the Kung Fu Tea owners to host the Interclub and plan a fundraiser that would equally benefit all parties. This project was a good way for our club members to interact with our neighboring Key Club and also gain service hours, increase club funds for DCON and future events. ”

# Children's Miracle Network Education Event

**Cesar Chavez | D27N | R16**

The project was able to help our club learn more about the Children's Miracle Network. It was successful as our members were able to learn a lot from the service project and are more aware of what the charity is. Aspects of the service project that can be improved are that we could have done a more hands on project and produced care packages or other items to donate to a Children's Miracle Network Hospital.

## BOOKMARK MAKING

**Iffat Alamgir | Division 12 West,  
Wilcox High School**

During the month of January, Wilcox Key Club held a joint bookmark making event with Wilcox Robotics Club. The event took place afterschool in our adviser's classroom, and required the joint efforts of both clubs to come to life. Members had a variety of materials to choose from to express their creativity, from different textured ribbons, paper in various colors, and an array of markers, paint, and colored pencils to design their bookmarks. Attendees kept the target audience in mind, decorating their bookmarks with bright colors and encouraging quotes to brighten the day of patrons at the public library. Some attendees chose to put a piece of themselves into their creations by decorating their bookmarks with their hobbies or favorite things, ranging from boba to gaming. This event brought together many members from both clubs, and fostered strong bonds as attendees spent the hours talking and working together for a wholesome cause.

## GENKI BALLS PROJECT

**Kylie Perreira | Division 22  
Komohana, Castle High School**

On January 28th, Castle Key Club met up with the King Builders, as well as the Kalaheo and Kailua Key Clubs for a collaborative project. The task was to create genki balls in order to aid in improving the water quality in the Ala Wai Canal. Genki balls are made up of soil, rice bran, molasses, water and EM liquid. Some members lined the boxes with newspaper while others mixed ingredients and cleared the shelves to store the genki balls. Once those tasks were complete everyone was separated into small groups to begin forming the genki balls. We had to slowly incorporate the EM liquid into the dry mixture, then make evenly sized balls where we left them in the newspaper-lined boxes to dry. Once this task was completed we cleaned the area and went inside to do some bonding activities such as a game called scrambled eggs! Everyone would group up together in response to questions such as "What is your favorite household pet?" If your favorite was a dog you would meet with the others that felt the same. Overall, the project was a success. Extra note, we are scheduling a time with EM Hawaii on when we can throw the genki balls into the Ala Wai Canal, which will be another fun activity.

# REGION 3 CONCLAVE

**Elizabeth Canuto | Division 4 North,  
Century High School**

The 2023 Conclave was held in Santa Ana High School on January 14th. This was the first in-person Conclave I attended. This time, I attended as a delegate to select who I thought would be the best choice for our club and Division 04 North. I listened to what the candidates had to say and thought about how their plans would benefit our small club. I also listened to the other candidates from different divisions, which was interesting because I got to hear about their plans for their own division and our region as a whole. The nominee I voted for went onto the second round and I got to hear the caucus session, which then solidified my decision on who I thought was the best fit. Everyone had such great ideas and kept my attention. In the end, Valerie Tran ended up winning the LTG election. I'm glad I got to be a part of an election where the future of our club is led by them.

As the Division 44 Conclave Chair, I was extremely excited to be able to organize the event that elects the new leaders who will be carrying on our Key Club legacies into the next term. I remember last year being in the same position as many candidates: nervous yet excited by the possibility of being able to serve in the office of Lieutenant Governor, which is why I wanted to put together the best event possible for members, officers, candidates, and others to be able to watch important history in the making! Conclave was extremely bittersweet: as I was super happy and proud of every candidate who took the courageous step to run, yet sad reminded that our term together is coming to an end. However, I am so excited and look forward to see the amazing things my elect will accomplish in the 2023-2024 term!

# DIVISION RECOGNITION

## Hello CNH!

Despite there only being a few months left in this term, I hope all of you have been working hard to achieve remaining goals and preparing for a smooth transition. Among these hard working individuals, it has come to my attention that there are a group of outstanding members, officers, and advisors that have been recognized by their home divisions. Congratulations and thank you for your dedication to your home, school, and community. If you weren't featured in this month's list of Division Recognition, I sure hope to see your name in the next issue of the Bumble Times.
