GOVERNOR DIANE DAO

WHAT'S BUZZIN BUSY BEES!

I don't know about you, but this time of year is my favorite. **SWEATER WEATHER!!** As we make our way towards the end of 2022, I am so grateful for all the things this past year has given me. Namely, the opportunity to serve you all as Governor. I loved seeing all your buzzingly happy faces at Fall Rally South this past November, and can't wait to see you all at **DCON** this year. I am so happy to serve such passionate, enthusiastic individuals like you, and I hope your 2022 was as wonderful as can be!

As we finish off this year, it's a great time to **check in with your progress** as a Key Club member. Have you started your **portfolios**? Got plans for next year? And if you're a senior, have you decided how you'll finish out your Key Club journey? I know I'm excited to see how the end of this year plays out! If you're ready for it, **Candidate Training Conference** & **District Officer Training Conference** are on the horizon—so time to get those plans in check!

Holiday season means that there are service projects and people in need everywhere, so I urge you to get ready to **serve our community** in any way that you can. If you need me, feel free to reach out at dgov@cnhkeyclub.org. Happy Holidays!

SERVING beyond any SKY,

What's UP CNH!

It's about that time of year again – when the sun begins to set at 5 PM, the temperature dips below 65 degrees, and holiday festivities are aglow! I hope you are all enjoying this holiday season as much as I am! I know I had such a lovely time getting to see some of your faces last month at Fall Rally South. Your enthusiasm and passion for Key Club never fails to inspire me and remind me why I love this organization – and thus you all so much!

The end of the year is often a time of reflection, so I encourage you all to take this time to check in with yourselves on where you stand with Member Recognition, Annual Achievement Report, and other goals that you've set for yourself and your clubs. Additionally, I encourage you all to set some new goals as well, and if some of those goals include expanding your Key Club journey, I'd highly recommend that you all check out what it takes to be a Lieutenant Governor at your respective Candidate Training Conference!

Now for our goals update! As of November 10th, CNH has served **184,103 total service hours**. This puts us at **21.66%** of our goal of **850,000 service hours**.

With that, thank you for all of the hard work and dedication throughout the term- it does not go unnoticed! If you have any questions feel free to reach out to me at dsec@cnhkeyclub.org. Happy Holidays CNH!

SUYEON HWANG

CNH Member Recognition Chair

Hello CNH,

My name is **Suyeon Hwang** (she/her) and I proudly serve CNH as the Member Recognition Chair.

When I'm not doing Key Club, you will most likely find me grinding valorant comp, binge watching k-dramas, cooking dinner, napping, or studying. While I rarely watch movies, the last and favorite one I watched is 20th Century Girl. A fair warning, do not watch that movie on a weekday like I did or you may be sad the entirety of school the next day.

I may sound a bit serious in my emails but I can assure you, I am the complete opposite in real life. So please don't feel intimidated and feel free to message me if you have any questions, comments, or concerns.

I wish you all the merriest of all holidays and as we approach 2023, a happy new year as well.

POSITION INSIGHTS

The Member Recognition Committee as a whole **recognizes service, fundraising, and leadership efforts** by members, officers, advisors, clubs, and divisions; promote any and all district and international recognition programs; ensure that each contest rubric measures intended behaviors and actions; educate members on the technicalities of **Annual Achievement Report (AAR)** scores and the **Member Recognition Program (MRP)**; and update the Cyberkey with new recognition materials such as contest guidelines and certificate templates.

My role within this committee is to set the committee's agenda, start necessary discussions regarding recognition, communicate with members, officers, and advisors, and maintain a healthy and active committee. Some unique responsibilities that I have are developing new spreadsheets, documents, and forms for recognition programs and identifying areas of improvement, discussing said areas with the MR Mentor, and finalizing decisions after a proposal of ideas to the committee.

As we step into the winter months, there are approximately **two months remaining before the Division, District, and International contest deadlines**. Now is the time to work on your E-Portfolio. Make sure to check out the [Contests](#) and [Automatic Awards](#) page on the Cyberkey for more information.

FROM THE ROARIN' WHITE TIGER LT. GOVERNOR

Fall Rally was a **HUGE** success! Our first spirit session was on a raining day, but that didn't stop our lovely White Tigers from showing their spirit. We continued to have weekly spirit sessions to learn cheers and make spirit gear, I was so glad to see how committed members were! The day of Fall Rally, I was quite nervous because we did win the Spirit Stick last year and I wanted the members to experience a win again. It was **amazing** to see how **loud** and **big** the division became they really did show up and show out. On that stage, I realized that no matter the winner, I know that **my members worked hard**. But when D16S was announced as the winner I couldn't have felt happier. **I love my division with my whole heart, they truly deserved this!**

FROM THE **FIREY DRAGON** LT. GOVERNOR

Fall Rally South is the most anticipated event for most Key Clubbers, in fact, it's the reason why most members join. As my last Fall Rally South for a lifetime, I am **so proud** of my division for the **hard work** and **dedication** they put into winning the spirit stick and representing the dragons well. My spirit coordinators, **Hannah Dinh, Christian Jimenez, Spencer Royer, and Gabrielle-Mae Villaroman**, whom I love and appreciate so dearly, worked for months prior to Fall Rally South to ensure the cheers would be perfect and worked even harder during the seven nights that we hosted to guarantee our division know the cheers and are in sync. Hearing my division cheer while standing on that stage **shocked me** each and every time they opened their mouths. The **pure spirit, vocalness, and passion** I heard from my division was enough to make me tear up on stage, and when we won the spirit stick I truly was in danger of **bursting into tears** on stage. **I am so proud of my dragons and I cannot wait to see what we accomplish next!**

As my LTG blurb said **"THIS YEAR IS THE TERM OF THE KONG!"** From the tiresome 7 spirit sessions, hours of t-shirt and spirit pack preparation, to winning the Fall Rally South Session 3 Spirit Stick for the **SECOND** time in 13 North history, there is not another way to describe that day but a proud papa monkey moment. Special shout-out to my **TWO** amazing spirit coords, **Mary and Justin, and their spirit team.** I could not ask for a more **committed, passionate,** and **hard-working** division. I love you all and after I leave I hope you guys **KEEP ON CHEERIN'!**

Fall Rally South 2022 was a **dream** for Division 35 East. Never in a million years did I think that this would be the year my division won the spirit stick. I was truly amazed by the amount of **effort** my division put in to get that spirit stick back. Being able to bring it back for all the **seniors that won in their freshman year** was **extremely rewarding**. I am **incredibly proud** of not only my DLT and spirit team, but also each and every one of those members and officers that were sitting in that theatre. There are no words to describe how proud I am to be serving a division with this much **passion and energy**, I can't wait to see what's in store for us.

“HOW DID KEY CLUB IMPACT YOU?”

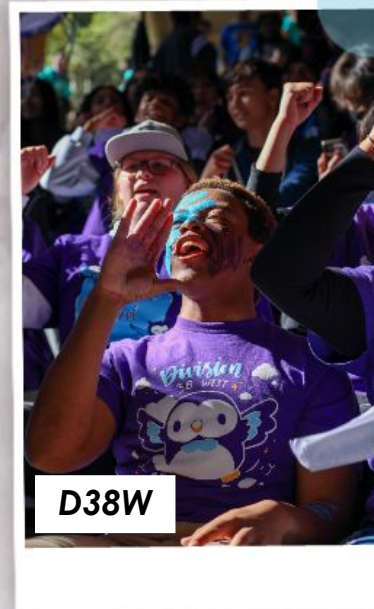

I feel as though one of the biggest ways in which Key Club has impacted me is my **growth** as a person and how I carry myself as a **leader**. Through the various leadership positions I've had the honor of serving, I have been able to form a stronger sense of **confidence** in myself, as well as strengthen my **public speaking, leadership, problem-solving, and communication skills**, which I carry into aspects of my life even outside of Key Club.

Most importantly, thanks to Key Club- I've been able to form a true **connection** with my community and discover what it feels like to have a second family, which consists of people I'm thankful to have formed and developed friendships with over the past couple of years of being a part of this organization that I never would have imagined would have such a huge impact on my life.

D12S

I was introduced to Key Club my **freshman** year. From then, my perspective has changed drastically. I was shown to the **passion of community service** at my school. Whether it was a beach clean up, clothes drive, or any type of social event, inclusivity and charisma was felt throughout each student. I have met my closest friends through this organization and I am forever grateful for being involved within Key Club.

Sofia **Sofia Barajas**

Division 42 West Lieutenant Governor

One way Key Club has impacted me was through my social skills. When I started high school, I was a very **shy** person and I would never say anything in class. But once I heard what Key Club was about, I was initially afraid to join since a lot of the members were very social. Once I got used to being in Key Club little by little I started losing my shyness. Later on I started being more **open** to others, and now I'm a very **talkative** person. My parents also noticed that I became more interactive with others and they were surprised as I was when I realized it myself. Furthermore, without Key Club I do not know where I would be, and if someone were to tell me what would happen to me in my Key Club journey and where it would take me, **I would never believe them.** I am forever grateful for what Key Club has given me and the other impacts that have been made in my daily life.

MAJOR EMPHASIS

In 1946, the organization was challenged to build a program to bring together all Key Clubs and members to focus energies on making an international impact. This program is still followed today through the Major Emphasis: Children: Their Future, Our Focus.

To fulfill the Major Emphasis, Key Club International serves children in many ways. By working with Key Club International's partner organizations, Key Clubs serve children by aiding other organizations committed to serving children. Key Club International celebrates its three partnerships: UNICEF, March of Dimes, and Children's Miracle Network.

The Key Club service initiative is another element of the Major Emphasis and is created on a two-year basis. All of the hands-on service provided to children by Key Club International members is directed to a single area of need, to make a substantial impact.

WHAT IS "SAFEKEY"?

"**Safekey**" is a term used within Key Club as a play on the word "safety", referring to the **rules** and **regulations** that all Key Club members must follow at all times **while representing the organization**.

Remember that as a Key Club member, you are a **leader**, and you must embody the **core values** in a respectful manner, both in-person and online.

this includes...

- ★ Maintaining professionalism at all times
- ★ Being polite in all of your work and behavior
- ★ Not revealing personal information
- ★ Being aware of cyberbullying
- ★ Not using profanity
- ★ Not making harmful references
- ★ Using your best judgement

Consequences can include being removed from Key Club office if applicable, or suspension / expulsion from school.

online safekey

Due to a growing reliance on technology on a day to day basis, it must be noted that **harmful encounters** on the internet DO occur – but they **can be prevented** if the proper measures are taken.

Be **educated** on how to utilize technology to the best of your ability without putting your safety at risk. People will use technology to get a first impression of you (and Key Club as an organization). **Be sure to remain Safekey at all times when representing Key Club.**

Only share what you are **comfortable** with sharing with others and that **doesn't hurt those around you.**

Do not share any personal information such as phone numbers, personal social media handles, emails, addresses, etc.

For Key Club newsletters and websites, only include your officers' emails if they are made **exclusively** for Key Club.

MEMBER RETENTION

WHY IS MEMBER RETENTION IMPORTANT?

Key Club would not be able to function and exist without them! Members motivate each other. Without them, we would not be able to give back to the community or raise awareness for our preferred charities.

HOW TO KEEP YOUR MEETINGS INTERESTING

EDUCATE MEMBERS

- Charities we help
- Leadership opportunities

BEE INTERACTIVE WITH YOUR MEMBERS

- Call on members to answer questions
- Have them lead the Key Club Pledge
- Play a couple of ice breakers

GIVE YOUR MEMBERS INCENTIVES

- Food (ex. cookies candies)
- Spirit items

IMPORTANCE OF MEMBER RETENTION

- Helps your club earn awards through the AAR score (partly based on member retention)
- More members = more paid dues & more paid dues = lower cost of dues/trips in the future

AVOIDING BURNOUT

DELEGATE

- If you have a large load of tasks, have another officer help complete tasks

COMMUNICATE

- Make sure to let your officer board know if you are feeling burnt out, don't be afraid to ask for help!

TAKE BREAKS

- Avoid overworking yourself and make sure to rest

BONDING IDEAS

GAMES

Playing games as a group activity is always an excellent way to get to know your members in a fun and lighthearted way. Games get members excited and in a euphoric state which carries over when it comes to the service aspects of Key Club.

PICTIONARY

To play Pictionary all you need is a piece of paper and a writing utensil. Members will take turns selecting a random object or action to draw while the other members try to guess the object or action.

TRUTH OR DARE

Members will take turns asking each other to choose between a truth or a dare. Whichever the member selects, they would then have to complete the task given by the member asking.

NEVER HAVE I EVER

To play Never Have I Ever you simply need to put up your 5 fingers. Members will then take turns saying things they have never done before. If you have done what is said before, place 1 finger down.

COMMUNICATING

Communicating with your members is an essential key to bonding with your members. When you personally reach out to your members it builds their connection to Key Club and makes them feel wanted within our Ohana.

BUDDY SYSTEM

Partnering up your club members with a Buddy System can help ease the nerves of new members and help them make friends. Returning members also have opportunities to create stronger bonds with members they didn't get the chance to know before.

Running For LIEUTENANT

First Steps to **CANDIDACY**

Candidates are highly recommended to attend a Candidate Training Conference (CTC) where they will receive information about the elections process, as well as guidance on how to craft their campaign. CTC registration information can be found on the CNH CyberKey (cnhkeyclub.org > Events > Training Conferences > Candidate Training Conference). Candidates must complete the Intent to Run form (due at least 2 weeks before your Division's Conclave) and a Service Agreement (due at least 1 week before your Division's Conclave), which can also be found on the CNH CyberKey (cnhkeyclub.org > Resources > Running for Office > Lieutenant Governor). This will establish your commitment to taking on the responsibilities of an LTG.

Preparing For **CONCLAVE**

In preparation for Conclave, you'll be tasked with creating a literature and up to two speeches. Your literature is a one-page, double-sided summary of your goals and qualifications. Be creative in assembling your literature with elements such as a headshot and introductory blurb! As for speeches, you will write a main speech and a second speech. You'll deliver your second speech during a nominating conference in the case that there are more than two candidates running. In addition to preparing these materials, seeking endorsement from your home club is recommended, but not required.

LIEUTENANT GOVERNOR

and conclave procedures...

Would you like the chance to create meaningful Key Club moments for the members of your Division? Are you looking to make that next level of commitment to your community? Now is your time to shine! The PIE Committee is beyond excited to welcome all prospective Lieutenant Governors; here, we'll be sharing the information you'll need for the upcoming Conclave season.

Conclave

PROCEDURE

At Conclave, literatures will be distributed to delegates and candidates will be introduced at the beginning of the event. Candidates will deliver their speeches, as well as undergo a short caucus in which delegates will have the opportunity to ask candidates questions. The current Lieutenant Governor & Region Advisor can deem questions inappropriate. The other candidates may not be in the room. As mentioned, if there are more than two candidates, a nominating conference will take place to narrow the candidates down to the top two. Delegates may only vote for 1 candidate and will have an option of "no confidence" if they feel no candidate is competent. If there is a candidate with a majority vote (50% +1), there is a winner.

Why Run for

LTG?

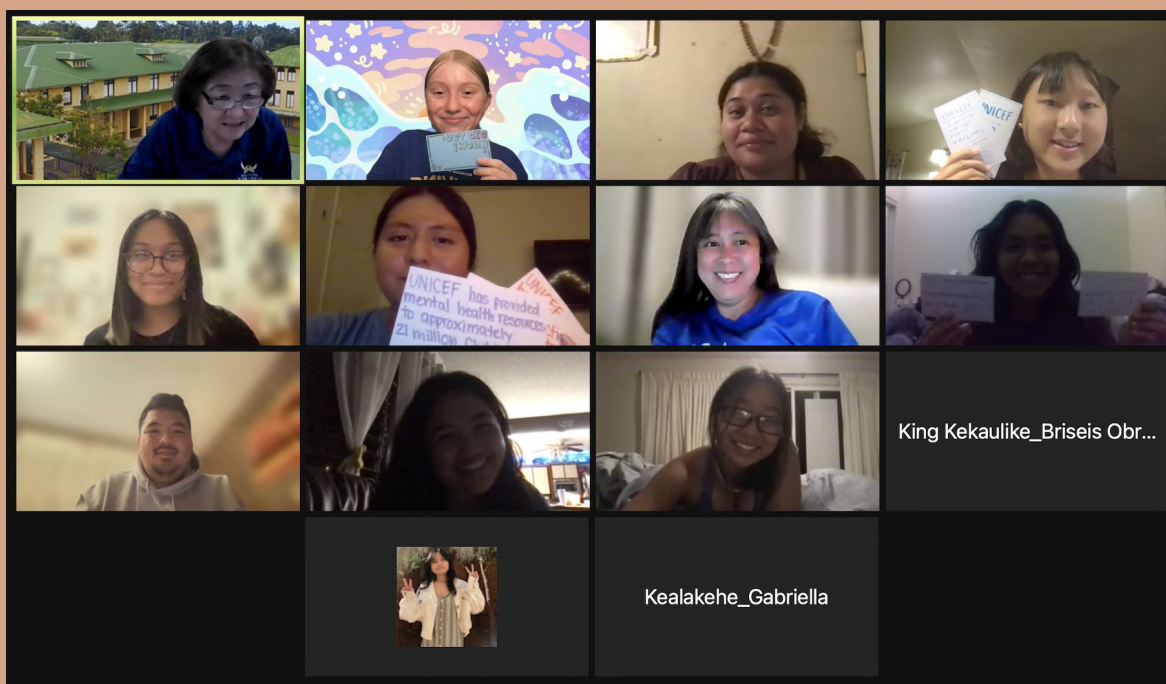

Serving as a Lieutenant Governor is an experience like no other. Not only is it a platform to serve your community in a higher capacity, but it's also a conduit for tremendous personal growth! As leaders of their divisions, LTGs find their voice and strengthen their leadership skills. On the other hand, as members of the CNH District Board and subsequent committees, LTGs get the chance to become better team players too. Altogether, this culminates into a valuable and memorable experience, as well as a stepping stone to many more great opportunities. So, don't be afraid to take that leap of faith and run! No matter the outcome, remember that you are an amazing servant-leader. Keep it up, the world needs more leaders like you!

SPOTLIGHT ON SERVICE PROGRAM

OCTOBER:

UNICEF

Division 22M | R18

**“Fast
Facts for
UNICEF”**

At the event organized by the D22M Service Coordinators, members created fast-fact cards with information about UNICEF and Start Strong: Zambia! These cards were distributed to friends and family to promote the organization!

“Spooktacular Halloween”

During our weekly Key Club meetings, we had members split into committees based on activities they wanted to plan for our 3rd annual “Spooktacular” Halloween event, which will take place off-campus. Members continued planning some of the major activities of last year (candy toss, bowling, crossword puzzles, word puzzles) while also planning new stations for the event, like pumpkin painting and break dance. Each committee had to first come up with a plan for how their station would run, have it approved, and then shortlist materials they would need for their station. All of these materials were ordered and set up prior to the event, with members signing up for shifts so they could help out. This fundraiser took place on the field of our BIF Lower Campus, in conjunction with a Trick-or-Treat held by the school.

This project was our 3rd annual Halloween Fundraiser! This was the first time we had donors make direct donations to the organization (UNICEF) instead of through a GoFundMe or through us. All of our Spooktacular events have been major successes and have shown that communication with our school, proper and thorough planning, and enough Halloween spirit can make anything possible!

DOG TOY MAKING

**Bella Black | Division 20,
Mckinleyville High School**

I really think we're starting to accomplish all we wish we could do in key club last year. This was sort of like our first official service project with the entire club and all the new members and it was a lot of fun. We just got to rip and cut up shirts and tie them in all kinds of knots while hanging out with each other. It seemed like everyone really wanted to get their hands on one and be a part of the project which is super awesome. I can't wait to see what happens with our future service projects and our amazing team.

MATT GARCIA CLEAN UP

**Hannah Reyes | Division 8,
Rodriguez High School**

Every month, Rodriguez Key Club and many others in the area, encourage members to participate in the monthly Matt Garcia clean-up. It is always a pleasure to join the foundation in carrying Matt Garcia's memory on through community service and honorable activity. Many of our members have become consistent attendees. We are given the opportunity to not only make an impact on a larger span of our community but to also connect with others during a complimentary lunch afterward. We were able to reflect on our actions with many people inside and outside of our club while enjoying lots of laughs!

MOTIVATIONAL POSTERS

Angelica Urbano | Division 46 North, Enochs High School

On November 3rd, members of the Enochs Key Club, including myself, volunteered to help run the PALS Challenged Athletics event at Enochs High School. During lunch, we spent our time creating motivational posters to hang around the gym, where the event was taking place. Everyone made lovely, colorful posters with an array of inspiring messages. The next day, all the volunteers gathered in the gym to prepare for the event and decorate the area by hanging up the posters we made. Various schools near Enochs attended, and we happily greeted them upon arrival. Afterwards, the volunteers were assigned an event to manage. I was tasked with running the ball toss game, along with two other key clubbers. Once the event began, we kept track of all the points made by each competitor whenever they hit an area on a board. When the event concluded, we collected the posters, took down the decoration, and cleaned up the gym. I really enjoyed this event; it was fun to watch everyone compete and nice to meet some new people along the way. I'm definitely going to volunteer at more events similar to this one, and I recommend more people volunteer at events like these.

BLANKET MAKING

**Serena Zhang | Division 4 East,
Beckman High School**

On Wednesday, October 12, we held our annual Binky Patrol blanket-making event. At this event, Beckman KeyClubbers were able to make blankets using the no-sew tie method. Many members of all different grade levels worked together and had a lot of fun! In this short lunch period, the members made over ten blankets! These cute blankets will be donated to the Binky Patrol organization to provide them to children in need! Beckman Key Club is so proud of its new and returning members for participating in our monthly service events such as this one and for showing an enormous amount of Key Club spirit! We're looking forward to next month's service events!
