# HAPPY SUMMER, BEES!

come back to the Bumble Times! It's a pleasure having you here reading the **and issue** of this term's District Newsletter. Before I start, I just wanted to thank you for the immense amount of support I've gotten for June's Newsletter. It is a fascinating and incredible thing that we're able to connect through a mesh of words and bee drawings. <3

If you have nothing to do during this Summer, you should definitely use this time to support your community and continue participating in your division's events! While being outdoors, don't forget to wear sunscreen and drink plenty of water. I know many of you have had your **Summer Training Conference (OTC)** ready. To those who missed their conference, don't worry because there are many other training events and workshops that will come up in the future! BEE sure to check out this month's **Beeginner Guide** featuring **Club events** and remember to mark your calendars when the date approaches.

Members of the NEW 2022-2023 District Media Team and Technology members, **CONGATULATIONS!** Don't wait to see what you'll do for our DVME Helena and DTE Lynn! Stay tuned for next month's newsletter to meet these talented members. For now, I hope you enjoy this camping themed July letter!

# HEY CNH!

You're having the BEST summer of your life! Take advantage of the time off, make memories & plans, and don't forget to

Remember everyone has a lot of time, so make sure that there are always people in your community that could use help, and take the opportunity to assist others this summer!

I can't be more thrilled to go to the National Convention in Washington D.C. with you, alongside my exeCUTIES, and to discuss some new membership goals & strategies with you all. Although a lot of Officer and Executive conferences have already passed, I and the Executives and I are looking forward to seeing some of you at Region 10 Conference!

We have about two months of summer left, so make sure to harness the best of it, and have fun out there! I know I will be tanning, spending a lot of time at the beach, and having more free time to spend with my friends & family. I'm down to relax all this summer, so don't be afraid to reach out to me with a hi, or any questions!

# From Your District Secretary

The sun is shining and the **summer is here!** I hope you enjoy those sun rays as we dive into our Key Club!

Summer is an excellent time to focus on your **service goals, your commitments** you might hold, which will help us move towards our goals of **850,000** service hours. This number may seem far away, but **surely**, on our way there, it- and **each and every** of us has an important role in helping us achieve it.

As we move through these months, we like to emphasize the importance of **reporting** in terms of our **service hours forms**. While many of your service events are distance service events such as Charity Miles, be sure to **correctly recording** the miles you are earning. **Remember**, our **service hours are measured by the time spent** rather than perhaps how many questions answered or letters you wrote.

## TRAINING CONFERENCES

### Officer Training Conference (OTC)

Officer Training Conference is an annual event for new Club Officers to gain necessary leadership skills and training for the term that typically takes place **between May and July**. At OTC, various workshops are provided to cover all necessary skills to be a successful leader. All Club Officers are strongly encouraged to attend in order to fully understand their position, grow as a leader, and learn more about their role in Key Club International. Of course, members are ALWAYS welcome to take advantage of the opportunities at OTC as well!

### Region Training Conference (RTC)

A Region Training Conference is put on every year by the current Lt. Governor(s) in your Region or combined Regions, usually in the first few months of the school year **(September-November)**. At the Region Training Conference, you will meet Key Club members from other clubs in your Region. There will be informative workshops on various topics that will help you and the other members of your club. There will be Icebreakers so you can get to know members of the other clubs in the Region. You will leave this conference knowing so much more about Key Club and how to be a more effective officer, leader, and member.

### Candidate Training Conference (CTC)

Candidate Training Conference is an annual event for Key Clubbers learn from current LTGs on what it takes to be an LTG and gain new skills to help prepare for Conclave. It typically takes place **between November and January**. This conference is great for anyone who wants to become LTG or is unsure if they want to run.

# FALL RALLY

## FALL RALLY NORTH (FRN)

## FALL RALLY SOUTH (FRS)

Due to the District's massive size, two Fall Rallies are held each year; one in **Northern California at Six Flags Discovery Kingdom**, one in **Southern California at Six Flags Magic Mountain**. Thousands of members gather at each of the two theme parks on their selected day, one in October, one in November. At Fall Rally North and South, LTGs and Executive officers are "auctioned" off to Divisions; the winning Division is able to then spend a designated period of time with the "purchased" officer. Auction funds and a portion of the ticket sales for both events go towards the Pediatric Trauma Program and the YES Initiative.

## MAJOR EMPHASIS

In 1946, the organization was challenged to build a program to bring together all Key Clubs and members to focus energies on making an international impact. This program is still followed today through the Major Emphasis: Children: Their Future, Our Focus.

To fulfill the Major Emphasis, Key Club International serves children in many ways. By working with Key Club International's partner organizations, Key Clubs serve children by aiding other organizations committed to serving children. Key Club International celebrates its three partnerships: UNICEF, March of Dimes, and Children's Miracle Network.

The Key Club service initiative is another element of the Major Emphasis and is created on a two-year basis. All of the hands-on service provided to children by Key Club International members is directed to a single area of need, to make a substantial impact.

# What is PTP and the YES! Initiative?

## PTP → Pediatric Trauma Program

The Pediatric Trauma Program (PTP) is one of CNH District's preferred charities, meaning it focuses on fundraising for this particular initiative. With the money that Key Clubbers fundraise for PTP, the money is allocated to producing resources and educating community members about the prevention of unintentional injury and death amongst children. PTP of CNH partners with 6 hospitals in supporting their pediatric units and programs.

The CNH District has a goal of raising **\$225,000** for PTP this term!

The money that Divisions raise for PTP can be used at Fall Rally North/South to "bid" for District Officers that are on stage.

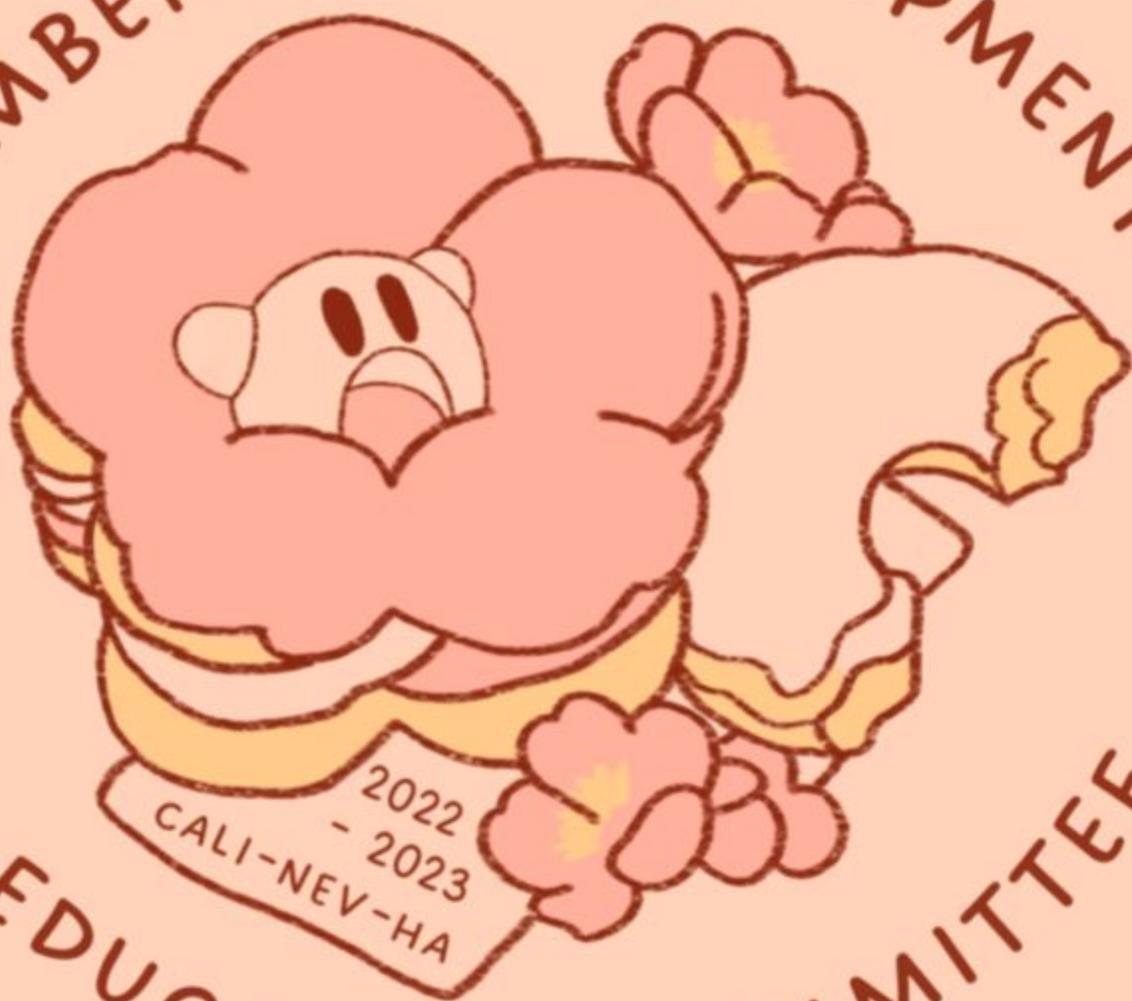

## YES! Initiative

The YES! Initiative, is used to provide scholarships to our Circle K, Key Club and KIWIN'S members, fulfilling their quest for a higher education and making the dream of college a reality. There are many ways you can give to the YES! Initiative. All donations help run the programs that benefit the children and families that need us the most. Every gift, regardless of the size, transforms children's lives.

New this term: once we reach a threshold of \$150,000 donated to PTP, CNH will start prioritizing large donations for the YES! Initiative!!

## HOSTING SUMMER EVENTS

Although schools are typically on "break," Key Club stays active during the summer months! To **maintain strong member retention** before club rush, it's especially important for clubs host meetings and events between June and August. Many local service groups (including your sponsoring **Kiwanis**) will organize service events or fundraisers that you can partake in. Keep in mind that despite our return to **safe in-person gatherings**, it may even be **advantageous** to **integrate virtual events** as well! This **ease in accessibility** will allow members to **stay engaged and participate**, even if they're away on vacation.

## TIPS + TRICKS: INCREASING ATTENDANCE DURING SUMMER

1. **Cater to YOUR MEMBERS:**
  - a. Get a sense of what **type** of events your members are looking for during the summer (**service, fundraising, social, etc**)! Their **interest directly impacts their attendance**, and oftentimes, you can combine these categories. If an event becomes repetitive, don't be afraid to **try something new!**
  - b. **EX:** Host a poll on your division Instagram for which upcoming events members will attend.
2. **ADVERTISE:**
  - a. Whether it be via social media or word of mouth, it is important for members to be **AWARE** of what events are taking place and when.
  - b. Advertise through **multiple avenues** to **remind members** that an event is taking place.
3. **Consider the SETTING:**
  - a. As we introduce more and more in-person events, please be wary of the **weather!** You want your members to feel **comfortable** during an event, so be sure to check the forecast/location prior!

If you are still not satisfied with turnouts, please rest assured that your efforts are not in vain! Ultimately, less member engagement during summer is very common and oftentimes, out of your control. Nevertheless, do not be discouraged as you've been able to hone your organization and planning skills in preparation for club rush!

## 1. POLICIES

Policies are the ways in which guidelines are carried out by CNH. They define the specific procedures, objectives, and principles that the District uses to guide and supervise Clubs, Divisions, and members.

Note that **policies differ from Bylaws**, which are the rules of the District. All CNH policies are subject to the Bylaws and are written in accordance to them.

Throughout the term, the PIE Committee will update, revise, and enforce the CNH District Policy Manual!

**Access the current policy manual at**

**Michael Ang | Division 8,

The Spring Arts Festival at Canyon Oaks Elementary was a really fun experience where we helped set up and ran Carnival games throughout the event. It was a very nice way to interact with the community as a whole. We got to watch our High School Jazz band perform and many of our own parents were there. In addition, many of the parents of the children in the boy and girls club which partake in our reading buddies program recognized us. We also met a parent who was actually a past Key Club President of a different school and it was very cool to meet someone who was part of Key Club history. Despite the heat, I would say it was a good experience nonetheless.

Special Games was an annual Kiwanis-sponsored event for 700+ children with disabilities from public and private schools across Santa Clara County. The event started off with a parade where all of the children walked along with their schools and volunteers cheered them on. After that, the volunteers met with their assigned groups of children and led them through various activities and games.

It was an incredible and I had a lot of leading and assisting. I was assigned a group of children and the variety of activities was great. Some of the games the children played were a tennis ball game, races, and an infinite loop game. It made me really happy to see the children do themselves and be proud of themselves. They also really enjoyed the pizza lunch that was served after the event.
